5	2017-18	113-135

CENTURION UNIVERSITY OF TECHNOLOGY AND MANAGEMENT

School of Engineering & Technology

Department of Mechanical Engineering

Date: 09/07/2021

MINUTES OF BOARD OF STUDIES MEETING held on 09/07/2021

Virtual Mode

Time: 11.00 a.m.

The Board of Studies (BoS) meeting of Department of Mechanical Engineering was held on 09/07/2021 at 11 a.m. in the Board Room, CUTM Bhubaneswar. The following are the members:

1. Dr. Srinivasa Rao Perla, Global Training Head-Cyient
2. Dr.U. Chandrasekhar, WIPRO 3D
3. Prof.S.S. Mohaptra, NIT Rourkela
4. Dr. A.M Mohanty, PRO VC, CUTM
5. Dr. R.C Mohanty, Professor, SOET, Mechanical
6. Prof. Prajna Paramita Debata, HOD, Mechanical
7. Mr. Hari Krishna, Final year student (placed in Byjus through campus recruitment)
8. Saubhagya Ranjan Parida, Alumni (Working in Federal Bank)
9. Abhisek Chinara, Alumni (Working in Tata Motors)
10. Mr. Rama Mohan, Parent

The Chairperson welcomed all members of the Board and briefly outlined the purpose of the meeting. Thereafter, the Head of the Department of Mechanical Engineering presented the achievements and improvements of the department in the areas of academics, research, consultancy and infrastructure.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 11/07/2020 were confirmed.

Agenda 2: Discussion and approval of any revision required in the Curriculum of B.Tech, Mechanical Engg. Basket 4 syllabus

The HoD, Mechanical Engg. gave a presentation on the feedback received on curriculum outlining the suggestions made by the various stakeholders. Based on this, the Board accepted and approved a few suggestions for course revision to be implemented from the Academic Year 2021-22.

- Manufacturing Process-Process planning and Heat Treatment (2-1-0) (CUTM1079) is very heavy and easily split into courses of 3 credit each
- Fluid Mechanics with Finite Volume Method to be refined and made into two separate courses.
- Applied Ergonomics could be merged in product design course where DFM is dealt.
- Smart Track is a very good suggestion and should be implemented.

- List of new courses added (*Annexure A.*)
- The briefing comprised of credits distributions, courses and baskets layouts, and new inclusions such as the Smart Basket (Basket-III) Interdisciplinary domains etc.
- Discussion on modification of syllabus of Basket-4,5
- The domain course should be taught in practice and project mode.

The Board approved the changes suggested in the Manufacturing Process. List of existing courses where syllabus was changed in (*Annexure B*)

Agenda 3: Inclusion of courses on life skills and value addition

It was suggested that students take up the various courses offered by the University in the areas of life skills and value addition for their overall improvement and well being. The same was agreed upon and approved by the Board members. (*Annexure C*)

The HoD, Department of Mechanical Engg. extended sincere thanks to all members of the Board.

The meeting ended with a vote of thanks to the Chair.

Department of Computer Science and Engineering

Date: 09.07.2021

MINUTES OF BOARD OF STUDIES MEETING held on 09.07.2021

Venue: Online

Time: 10.00 a.m.

The Board of Studies (BoS) meeting of Department of Computer Science and Engineering was held on 09.07.2021 at 10 a.m. in online mode. The following members were present:

1. Prof. (Dr.) Radhakant Padhi, Honorary Provost, Centurion University of Technology and Management
2. Dr. Sujata Chakravarty, Associate. Prof., HOD, CSE
3. Prof. Jagannath Padhi, Director, Centurion University of Technology and Management
4. Prof. (Dr.) Ashish Ranjan Dash, Associate Dean, SoET, Centurion University of Technology and Management
5. Mr. Pramod Saini, Co-founder of Icalibrator
6. Ms. Aruna Saini, Co-founder of Icalibrator
7. Mr. Suvendu Kumar Nayak, Assistant Professor, CUTM, BBSR
8. Anshit Ransingh, Alumni(Working as project executive in CUTM)
9. Rhythm Paul, Student, CUTM, BBSR

The Chairperson welcomed all members of the Board and briefly outlined the purpose of the meeting. Thereafter, the Head of the Department of Computer Science Engineering presented the achievements and improvements of the department in the areas of academics, research, consultancy and infrastructure.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 11/07/2020 were confirmed.

Agenda 2: Discussion and approval on any revision required in the Curriculum of B.Tech, Computer Science Engg.

- The HoD, Computer Science and Engg. gave a presentation on the feedback received on curriculum outlining the suggestions made by the various stakeholders. Based on this, the Board accepted and approved a few suggestions for course revision to be implemented from the Academic Year 2021-22.

- With reference to the suggestions of the members present it was decided no major changes required in the syllabus only the skill related to different subjects need to be mentioned.
- Two changes were suggested
 1. Replacing "OOPs with C++ programming " by "Programming in C"
 2. Renaming the subject "Data structures using C++" by "Data Structures "and all the implementation will be done by C programming language.(Annexure 1)

Agenda 3: Inclusion of MCA curriculum

A new curriculum for MCA program is introduced and approved by the Board members.

Agenda 4: Inclusion of courses on life skills and value addition

Various courses offered by University in the areas of life skills and value addition for the students overall improvement and well being are approved by board members. (Annex 2 and Annex 3)

The HoD, Department of Computer Science and Engg. extended sincere thanks to all members of the Board.

The meeting ended with a vote of thanks to the Chair.

Date: 20/07/2021

MINUTES OF BOARD OF STUDIES MEETING held on 20/07/2021

Venue: Virtual Mode

Time: 11.00 a.m.

The Board of Studies (BoS) meeting of Department of Civil Engineering was held on 20/07/2021 in virtual mode. The following are the members:

1. Dr Sachikanta Nanda, Associate Professor, SRMIST, Chennai, TN
2. Dr. Shantiswaroop Sahoo, Associate Professor, Dept. of Geology, Utkal University
- 3 Prof. Prafulla Kumar Panda, Internal Expert
- 4 Prof. Kamal Kumar Barik, Internal Expert

The Chairperson welcomed all members of the Board and briefly outlined the purpose of the meeting. Thereafter, the Head of the Department of Civil Engineering presented the achievements and improvements of the department in the areas of academics, research, consultancy and infrastructure.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 11/07/2020 were confirmed.

Agenda 2: Credits distributions, courses and baskets layouts, and new inclusions of Smart Basket (Basket-III) Interdisciplinary domains.

The HoD, Civil Engg. gave a presentation on the feedback received on curriculum outlining the suggestions made by the various stakeholders. Based on this , the Board accepted and approved a few suggestions for course revision to be implemented from the Academic Year 2021-22.

- The Smart stack to be delivered by people from the industry and/or enabling internal faculty members to deliver the industry aligned courses.
- The strategy of keeping at least twenty percent online delivery of courses in the curriculum was appreciated by everyone.
- It was suggested to have more MOUs with academia and industry for effective rollout.
- Everyone appreciated having the “Job Readiness” course of Basket-II as compulsory across branches and also the delivery plan of the course.

Centurion
UNIVERSITY

- Present final year student welcomed Job readiness component and domain course content.
- The briefing comprised of credits distributions, courses and baskets layouts, and new inclusions such as the Smart Basket (Basket-III) Interdisciplinary domains etc.
- There is no modification of syllabus of Basket- 4,5
- The domain course should be taught in practice and project mode.

Agenda 3: Inclusion of courses on life skills and value addition

It was suggested that students take up the various courses offered by the University in the areas of life skills and value addition for their overall improvement and well being. The same was agreed upon and approved by the Board members. (Annexure A)

The HoD, Department of Civil Engg. extended sincere thanks to all members of the Board.

The meeting ended with a vote of thanks to the Chair.

10. Dr. Pramod Kumar Patjoshi, B. Com Program Coordinator, SoM, CUTM
11. Dr. Umakanta Nayak, Dean, SoM, CUTM

The Chairperson, CUTM welcomed all members of the Board and briefly outlined the purpose of the meeting. Thereafter, the Dean, SoM presented the achievements and improvements of the School in the areas of academics, research, consultancy and infrastructure.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 11.07.2020 were confirmed.

Agenda 2: Discussion and approval on revision required in the Curriculum of MBA Program

- The Dean, SoM presented the MBA curriculum based on the feedback and suggestions made by the various stakeholders. Board discussed the curriculum thoroughly and approved the existing syllabus without any changes for the academic year 2021-22

Agenda 3: Discussion and approval on revision required in the Curriculum of MBA – RUDM & ABM Program

- MBA – RUDM & ABM curriculum was presented based on the feedback and suggestions made by the various stakeholders. Board discussed the curriculum thoroughly and approved the existing syllabus without changes for the academic year Year 2021-22.

Agenda 4: Discussion and approval on revision required in the Curriculum of BBA program

- BBA syllabus was presented based on the suggestions made by the various stakeholders. The Board accepted and approved the existing syllabus without changes for the academic year Year 2021-22.

Agenda 5: Discussion and approval on revision required in the Curriculum of B.Com program

- B.Com syllabus revision was presented based on the suggestions made by the various stakeholders . The Board accepted and approved the following changes to curriculum to be implemented from the Academic Year 2020-21 (*Annexure-I*).
 - New courses were incorporated in baskets after thorough discussion.

Agenda 6: Inclusion of courses on life skills and value addition

Various courses were presented to be offered by the University in the areas of life skills and value addition for the overall improvement and well being of students. The same was agreed upon and approved by the Board members. (*Annexure-II*)

The Dean, SoM extended sincere thanks to all members of the Board.

The meeting ended with a vote of thanks to the Chair.

MINUTES OF BOARD OF STUDIES MEETING held on 09.07.2021

Venue: Board room, BBSR

Time: 11.00 a.m.

The Board of Studies (BoS) meeting of School of Forensic Sciences was held on 9.07.2021 at 11 a.m. at Board Room, BBSR Campus. The following members were present:

1. Dr. Gurudutta Pattnaik, Principal, SoPLS
2. Dr. Amulyaratna Behera, Associate Professor, SoFS & SoPLS
3. Mr. Mahesh Pattnaik, Director, HVET
4. Ms. Varsha Singh, Assistant Professor, SoFS
5. Dr. Aruna Kumar Swain, Assistant Director, SFSL Rasulgarh
6. Mr. Gyanranjan Panigrahy, Assistant Professor, BJB Autonomus College

The Chairperson welcomed all members of the Board and briefly outlined the purpose of the meeting. Thereafter, the Dr. Gurudutta Pattnaik, **Principal, SoPLS and SoFS** presented achievements and improvements of the department in the areas of academics and infrastructure.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 11.07.2020 were confirmed.

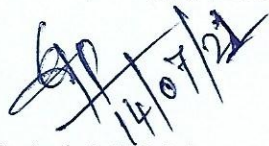

Agenda 2: Discussion and approval on any revision required in the Curriculum of M.Sc. Forensic Science, M.Sc. Cyber Security & Digital Forensics and B.Sc. Forensic Science.

- The Principal, SoFS gave a presentation on the feedback received on curriculum outlining the suggestions made by the various stakeholders.
- The Board reviewed the syllabus of B.Sc. and M.sc. Programs and decided that no changes were required in the syllabus.

Agenda 3: Inclusion of courses on life skills and value addition

- It was suggested that students take up various courses offered by the University in the areas of life skills and value addition for their overall improvement and well being. The same was agreed upon and approved by the Board members. (Annexure-I)

Dr. Gurudutta Pattnaik, Principal, SoFS & SoPLS extended his sincere thanks to all members of the Board. The meeting ended with a vote of thanks to the Chair.

ANNEXURE-I

- Skill courses approved by BOS and to be offered in 2021-22

Sl. No.	Course Title	Credit
1	3D Game Art	4
2	Drug Design using Biovia Discovery Studio	4
3	Ophthalmic Lens and spectacle manufacturing Techniques	4
4	Medical Diagnostic Techniques_	4
5	Introduction to Aquaponics	4
6	Polyhouse Automation	4
7	Development of Processor (Shakti)	4
8	Spectroscopy	4
9	Extraction Technologies	4
10	Gamified DIY kits using Lasers	4
11	VR Assets Development	4
12	GIS and Remote Sensing: Applications in Participatory Natural Resource Management	4
13	GIS and Remote Sensing: Application Development	4
14	3D Modelling and Printing	4
15	Brew Master	4

- Value added courses approved by BOS in 2021-22

Sl. No.	Course title	Duration of course
1	Ethical Hacking	30 Hours
2	Clinical Practice	30 Hours
3	Financial Literacy	30 Hours
4	MATLAB	30 Hours
5	MS Excel Basics	30 Hours
6	Pharmaceutical Dry-Lab Techniques	30 Hours
7	Research Methodology and IPR	30 Hours
8	Steps for Career Plan	30 Hours
9	TABLEAU	30 Hours
10	Technical Writing	30 Hours
11	Waste to Wealth	30 Hours
12	Web Development	30 Hours
13	Yoga and Meditation	30 Hours
14	Health and Lifestyle	30 Hours
15	Life Skills and Moral Value Education	30 Hours
16	Ansys	30 Hours
17	Video Making for Youtubers	30 Hours

Department of Agricultural Engineering

Date: 11/07/2020

MINUTES OF BOARD OF STUDIES MEETING held on 11/07/2020

Virtual Mode

Time: 12.00 p.m.

The Board of Studies (BoS) meeting of Department of Agricultural Engineering was held on 11/07/2020 at 12 p.m. in online mode (due to the continuing Covid-19 Pandemic). The following members are present during the meeting.

1. Dr. Prasanta Kumar Mohanty, Dean Academics, CUTM
2. Dr. Sivala Kumar, Dean SoABE, CUTM
3. Dr. Khalid Khan, Retd Dean, OUAT
4. Mr. Bharat Agrawal, CEO, ABS KRISHI UDYOG, Odisha
5. Dr. Gitanjali Behera, HOD, Agricultural Engineering, CUTM
6. Dr. Prasanta Kumar Choudhury, Head Dairy Technology, SoABE, CUTM
7. Dr. Bhisma Narayan Rath, Head Phytopharmaceuticals, SoABE, CUTM
8. Dr. S. P. Nanda, Dean Administration, MSSSoA, CUTM
9. Dr. Devendra Reddy, Dean Academics, MSSSoA, CUTM

Dean SoABE have given a presentation on course structure of Agriculture Engineering. There was a thoroughly discussion on the syllabus of Agricultural Engineering and the following feedback was suggested by the Experts.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 22/06/2019 were confirmed.

Agenda 2: Revision of Curriculum for the programme B.Tech AG

- It was discussed and decided to follow the CBCS structure of 5 Basket systems of Syllabus of School of Engineering & Technology in the B. Tech Agriculture programme.
- Dr. Khalid Khan: A lot of emphasis has been given to Foundation course which will help the foundation knowledge building of Agricultural Engineering students. Now Agricultural engineering is going to play a vital role for post-COVID scenario. The curriculum designed by the Centurion University will surely help students for preparing for the future. The new syllabus contains all of core courses and foundation courses. One core agricultural engineering course is missing in Basket-4.B that is Post-harvest engineering of cereal, pulses and oil seeds which should be a compulsory course for students doing graduation in agricultural Engineering. Other courses like Engg. Properties of Agricultural Produce, Agricultural Structures & Environmental Control which involves so many components will be difficult to complete the course within 1-0-1 credit hour. Or else, the course has

been designed as per academic and industry's needs. Dean SoABE clarified the experts that the Course titled Post-harvest engineering of cereal, pulses and oil seeds is included in the domain course. Also, the courses like Engg. Properties of Agricultural Produce, Agricultural Structures & Environmental Control can be completed in 1-0-1 credit as the session plan has been designed in courseware as per the time allotment and will be justify all components present in the syllabus.

- Industry Expert: The department have taken up everything in the course syllabus to graduate a best student from the University. The student should be exposed to more field visit and industrial visit, so that the outcome will be best. Dean SoABE explained that we have already taking our students to field and industry visit to have a better practical understanding of the subjects.

Agenda 3: Discussion on modification of syllabus of Basket- 4, 5

The Board approved the changes suggested in the core courses. List of new courses is given in Annexure A and existing courses where syllabus was changed in (Annexure B)

Agenda 4: Inclusion of courses on life skills and value addition

It was suggested that students take up the various courses offered by the University in the areas of life skills and value addition for their overall improvement and well being. The same was agreed upon and approved by the Board members. (Annexure C)

The Dean, SoABE, extended sincere thanks to all members of the Board.

The meeting ended with a vote of thanks to the Chair.

Department of Physics

Date: 11.07.2020

MINUTES OF BOARD OF STUDIES MEETING held on 11.07.2020

Venue: Conducted in online mode

Time: 11.00 a.m.

The Board of Studies (BoS) meeting of Department of Physics was conducted in online mode on **11.07.2020** at 11 a.m. The following are the board members:

1. Dr. P. K. Jain, Scientist -G, Center Head for Carbon materials division of ARCI, HYD, External expert
2. Dr. J K Rath, Director, Mechem Private Ltd, Bhubaneswar, External expert
3. Dr. Debadhyana Behera, Dept. of Physics, Ravenshaw University, External expert.
4. Prof. Dipankar Bhattacharyay, Dean SoAS.
5. Prof. Mohammed Siddique, Associate Dean- SoAS
6. Dr. Tapan Dash, HoD, Department of Physics, CUTM BBSR
7. Dr. Subrata Sarangi, Professor, Dept of Physics, UCTM, BBSR
8. Ms. Sushree Subhadarsi Bhole, MSc Alumni
9. Few M.Sc and B.Sc students of CUTM.

At the outset, Dean SoAS welcomed the invited (external) experts from industry and academia and addressed all the participants. HE outlined the broad contours of academic developments with respect to emerging research and skill integration areas and pointed out how the University has aligned its curricula keeping in view these developments. He also outlined how the University examination system is being reformed aligning it with the current trends and evolving methods of pedagogy and academic delivery. The steps being taken to execute all academic programs of the University in Covid-19 conditions were also pointed out by him.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 30.06.2019 were confirmed.

Agenda 2: Revision of Curriculum for the programme B.Sc. Physics and M.Sc. Physics.

- Based on the feedback received on curriculum outlining the suggestions made by the various stakeholders, it was suggested that the revised curriculum for B.Sc. and M.Sc. programmes is to be implemented from the academic year 2020-21.

- The detailed course outline and Syllabus of Department of Physics was presented by Prof. Mohammed Siddique, Associate Dean, SoAS.
- The external experts (industrial and academic) appreciated the general approach of the University dividing the curriculum into Core, Domain and Skill Courses and noted with satisfaction, the syllabi being upto-date and with due stress on practice and skill.
- They also noted with satisfaction that the syllabi of all BSc core courses was aligned to the UGC prescribed curriculum. It was also suggested that a BSc level, the foundation (or core) courses with basic concepts should be taught well including appropriate proportions of theory, practice, projects. Advanced topics like Graphene, Nano-materials, etc may be included as electives and at introductory level only.
- The experts also appreciated the advanced and focused nature of the MSc Core courses. Inclusion of advanced Materials Science topics such as Graphene, Composite Materials etc. was highly appreciated. Inclusion of Internship components into the MSc curriculum was also strongly suggested.
- The Board of study members recommended and approved the syllabus for both B.Sc. and M.Sc. programs (*Annexure-1*) to be taught in the upcoming semesters.

Agenda 3: : Regarding domain courses

- It was decided that students will take the domain courses offered by the University. Out of the different category of Domain courses Group B category is for Physics students.
(*Annexure-2*)

Agenda 4: : Regarding skills and value added courses

It was suggested that students will take the skill and value added courses offered by the University. The same was approved by the Board members. (*Annexure-3 &4*)

The HoD, Department of Physics. extended his sincere thanks to all members of the Board.

The meeting was adjourned with Vote of Thanks by the Registrar Prof. Anita Patra. She thanked all the external members present in the meeting for sparing their valuable time from their busy schedule and make it successful.

CENTURION UNIVERSITY OF TECHNOLOGY AND MANAGEMENT

School of Engineering & Technology

Department of Electrical & Electronics Engineering

Date: 11.07.2020

MINUTES OF BOARD OF STUDIES MEETING held on 11.07.2020

Venue: Virtual Mode

Time: 11.00 a.m.

The Board of Studies (BoS) meeting of Department of EEE was held on 11.07.2020 at 11 a.m. in the Room No.-104, CUTM Bhubaneswar. The following are the Board members:

1. Prof. (Dr.) Radhakant Padhi, Honorary Provost, CUTM
2. Prof. (Dr.) Jharna Majumdar, Prof. of Eminence, CUTM
3. Prof. Jagannath Padhi, Director, CUTM
4. Prof. (Dr.) Prasant Kumar Mohanty, Dean, SoET, CUTM
5. Prof. (Dr.) Ashish Ranjan Dash, Associate Dean, CUTM
6. Prof. (Dr.) Sudhansu Kumar Samal, HOD, EEE, CUTM
7. Prof. (Dr.) P. K. Hota, Professor, EE, VSSUT, Burla
8. Mr. P. K. Pradhan, Ex- Director (Commercial), GRIDCO; Ex-CEO, WESCO

The Chairperson welcomed all members of the Board and briefly outlined the purpose of the meeting. Thereafter, the Head of the Department of EEE presented the achievements and improvements of the department in the areas of academics, research, consultancy and infrastructure.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 22.06.2019 were confirmed.

Agenda 2: Discussion and approval on any revision required in the Curriculum of B.Tech, EEE.

The HoD, EEE gave a presentation on the feedback received on curriculum outlining the suggestions made by the various stakeholders. Based on this, the Board accepted and approved a few suggestions for course revision to be implemented from the Academic Year 2018-19.

1. Renaming of subjects from all the baskets were done as per industry demand
2. All the course contents were changed by giving more importance to software simulations which are useful for doing research in higher education.
3. Faculties were asked to complete various online courses offered from NPTEL, UDEMY, Coursera etc. to enhance their knowledge to teach the new restructured courses.
4. The Board approved the updation of the courses important from higher studies point of view and replacement of contents of open basket with new courses with greater practice component. List of new courses added in *(Annexure A)*
5. The Board approved the changes suggested in the Distributed Generation & Microgrid, Power System Protection as per the latest Software and technology being used by the industry. List of existing courses where syllabus was revised in *(Annexure B)*

Discussion and approval on any revision required in the Curriculum of M.Tech, Power System & Control.

- As there was a complete revision of the syllabus of M.Tech program in Power system & control in previous academic session, No change was suggested.

Agenda 3: Inclusion of courses on life skills and value addition

It was suggested that students take up the various courses offered by the University in the areas of life skills and value addition for their overall improvement and well being. The same was agreed upon and approved by the Board members. (Annexure C)

Agenda 4:

Basket 3 syllabus got completely changed as per present industrial requirement. More emphasis was given on practice and project and less importance on theory content. All circuit branch faculties were asked to teach these advanced subjects.

The HoD, Department of EEE extended sincere thanks to all members of the Board.

The meeting ended with a vote of thanks to the Chair.

School of Pharmacy and Life Sciences

Date: 11-07-2020

MINUTES OF BOARD OF STUDIES MEETING held on 11-07-2020

Venue: Virtual Mode

Time: 02.30 p.m.

The Board of Studies (BoS) meeting of School of Pharmacy and Life Sciences(SoPLS) was held on 11-07-2020 at 11 a.m. The following members were attended:

1. Mr. Mahesh Pattnaik, Director SoPLS
2. Mr. Sisir Panigrahi, Director SoPLS
3. Dr. Gurudutta Pattnaik, Dean SoPLS
4. Dr. Amulyaratna Behera, Professor SoPLS
5. Dr. Susant Kumar Sahu, HOD UDPS, Utkal University

The Chairperson welcomed all members of the Board and briefly outlined the purpose of the meeting. Thereafter, the Head of the School of Pharmacy and Life Sciences presented the achievements and improvements of the department in the areas of academics, research, consultancy and infrastructure.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 22-06-2019 were confirmed.

Agenda 2: Apply M. Pharm in Pharmaceutics & Industrial Pharmacy branch.

- The committee decided to apply for opening of M. Pharm in two specializations (Pharmaceutics & Industrial Pharmacy).

Agenda 3: Discussion and Resolutions taken (Syllabus/Evaluation systems etc.)

- Feedback received from expert from academics, Pharmaceutical industry & students for designing and review of syllabus.
- As per Pharmacy council of India, the statutory council which regulate the Education system in the country have restructured their syllabus in 2017. The new syllabus framed and implemented in 2018 is as per the current need Pharmaceutical sector. Hence the current syllabus is being imparted from 2018 to till date.
- School of Pharmacy and Life Sciences progress and performance in academic is reviewed and found satisfactory in syllabus, class performance and results, hence BOS after due deliberation accepted the points raised by the Dean of School of Pharmacy and Life Sciences.
- It is also resolved to follow the prescribed syllabus, credit system of PCI guide lines with an incorporation of university course code.
- Project work: The Board approved the revision of the syllabus in keeping with the latest requirements of the industry.

10. Dr. Devendra Reddy, Dean Academics, MSSSoA, CUTM
11. Prince K Jha, 3rd Year B.Tech Phyto Student, CUTM

Dean SoABE have given a presentation on course structure of B.Tech Ag, Dairy Technology and Phyto-pharmaceutical department. There was a thorough discussion on the syllabus of B. Tech Phytopharmaceuticals and the following feedback was suggested by the Experts.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 22/06/2019 were confirmed.

Agenda 2: Revision of Curriculum for the programme B.Tech Phyto

- It was discussed and decided to follow the CBCS structure of 5 Basket systems of Syllabus of School of Engineering & Technology in the B.Tech Phytopharmaceuticals programme.
- Dr. U. V. Babu & Dr. R. Kannan (Himalaya Wellness: Congratulations CUTM for Phytopharma. Basket 4 is very suitable for industry & students will have all desired expertise. Pharmacognosy need addition for bioactive components. Need addition of phytochemistry and natural products analysis by NMR. Regulatory course changes to focus

Centurion
UNIVERSITY

Shaping Lives,
Empowering Communities

on GMP. Ensure students visit industry of students (To engage students in academic/industry interface.)

- Mr. Amitesh Roy Choudhary: CUTM is bridge between industry and academics. Don't give idea only for jobs, encourage entrepreneurship for students.
- Mr. Prince K Jha, Ms. Pragyana Paramita Puti: Agreed that majority of subjects are well planned and delivered. However, they are having biology background and were not comfortable in engineering subjects like (thermodynamics, mathematics).
- Industry Expert: The department have taken up everything in the course syllabus to graduate a best student from the University. The student should be exposed to more field visit and industrial visit, so that the outcome will be best. Dean SoABE explained that we have already taking our students to field and industry visit to have a better practical understanding of the subjects.
- The list of new courses added is given in Annexure A.

Agenda 3: Discussion on modification of syllabus of Basket- 4, 5

The Board approved the changes suggested in the core courses. List of existing courses where syllabus was changed in (*Annexure B*)

Agenda 4: Inclusion of courses on life skills and value addition

It was suggested that students take up the various courses offered by the University in the areas of life skills and value addition for their overall improvement and well being. The same was agreed upon and approved by the Board members. (*Annexure C*).

The Dean, SoABE, extended sincere thanks to all members of the Board. The meeting ended with a vote of thanks to the Chair.

CENTURION UNIVERSITY OF TECHNOLOGY AND MANAGEMENT

MS Swaminathan School of Agriculture

Date: 22.06.2019

MINUTES OF BOARD OF STUDIES MEETING held on 22.06.2019

Venue: Board Room, CUTM, Bhubaneswar

Time: 11.00 a.m.

The Board of Studies (BoS) meeting of MS Swaminathan School of Agriculture was held on 22.06.2019 at 11 a.m. in the Board Room, CUTM Bhubaneswar. The following members were present:

1. Prof. P.K. Mahapatro
2. Prof. B K Mishra
3. Prof. M. Devender Reddy
4. Prof. Satya Prasad Nanda
5. HOD Agronomy
6. HOD Plant Pathology
7. HOD Entomology
8. HOD Soil Science
9. HOD Extension
10. HOD GBP
11. HOD Biotechnology
12. HOD Plant Physiology
13. HOD Horticulture
14. Alumni

The Chairperson welcomed all members of the Board and briefly outlined the purpose of the meeting. Thereafter, the Dean of the MS Swaminathan School of Agriculture represented the achievements and improvements of the department in the areas of academics, research, consultancy and infrastructure.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 22.06.2019 were confirmed.

1. All the external BoS members appreciated the structure and course outline of different courses and domains. They mentioned that the courses are well structured, organized and application oriented as per academics and industry is concerned. They also appreciated the on-line class delivery initiative of the University.
2. Prof. P. K. Mahapatro, Retd. Dean, OUAT, suggested and emphasized to incorporate the smart agriculture management practice in production courses of UG and PG courses. He also suggested to give importance to on Biofertilizer production and utilization in organic production systems.

Agenda 2: Discussion and approval on any revision required in the Curriculum of B.Sc Agriculture

- The Dean Agriculture. gave a presentation on the feedback received on curriculum outlining the suggestions made by the various stakeholders. Based on this , the Board accepted and approved a few suggestions for course revision to be implemented from the Academic Year 2018-19.
- Discussion and Resolutions taken (Syllabus/Evaluation systems etc.);

Students should be more and more exposed towards industries and gain industrial experience, entrepreneurship skills and start ups.

Students should be trained in Digital Marketing Skills and in improving the personality

Reshuffling of courses in UG

Agenda 3: Inclusion of courses on life skills and value addition

It was suggested that students take up the various courses offered by the University in the areas of life skills and value addition for their overall improvement and well being. The same was agreed upon and approved by the Board members.

1. under high tech horticulture, production of quality planting materials should be kept under ELP programme
2. Increase of organic farming production of biofertilizer a) 2 bio pesticides b) production technologies for field crops c) production technologies for horticultural crops should be kept under AELP track -1 and production of an individual crops under AELP track-2
3. It was decided to introduce new supporting and minor courses in M. Sc. (Ag) and follow the guideline of BSMA, ICAR from time to time. Newly formed domains for B.Sc (agriculture) like Organic Farming, Dairy processing and development, Intensive aquaculture, Seed production using manual and molecular method, Genetic engineering genomics, Smart Agriculture, Protected agriculture, Food processing, Commodity and food storage, Fish processing, Fish processing technology and several Skill courses.

The Dean , MS Swaminathan School of Agriculture. extended sincere thanks to all members of the Board.

The meeting ended with a vote of thanks to the Chair.

B. F. Sc

For (2017-2021) Batch and (2018-22); (2019-23) Batch.

* In 5th Semester following courses are offered FSAQ-3105; FSRM 3105
FSHM 3103, FSHM 3105, FSRM 3107, FSEE 3104, FSFF 3105
FSRM-3108, FSEM 3108, FSHM-2202, FSPT-3209.

Note: The courses of (FSHM-2202) Microbial and parasitic Disease
of fish and shell fish will be offered to the 2nd and (FSEE
2102) Aquaculture Engineering will be offered to the students
of (2018-2022) and (2019-2023) in their 4th sem and 3rd sem. but
for (2017-2021) these courses were offered for these course
will be offered in 5th and 6th sem. respectively.

* Quality Assurance of fish & fish product
for (2018-2022) and (2019-2023) batch but for (2017-2021)
batch, the same course will be offered in 5th sem.

* Taxonomy of shell fish (FSRM-1102) which is offered in 1st
semester will be shifted to 2nd semester for the convenience of
the student from 2019 batch.

* Aquaculture (in Recirculation) (FSAQ-1207) which is offered in the
2nd semester will be shifted to 1st semester from 2019 batch.

Addition of Matters in theory course:

* Soil and water Chemistry (FSEM:1102) : Aeration, Chlorination,
Ozonisation and UV radiation, Waste & water treatment practices

algal Bloom Control and Eutrophication, Aquatic weed Management
Soil probiotics

2. FSAQ-1202 (Freshwater Aquaculture): Biofloc Technology (BFT)
Zero water Aquaculture, Intensive system for Aquaculture,
Impact of Aquaculture on Environment; Quarantine.

3. FSAQ-2109 (Fish Food Organisms): Copepod, polychaetes.

4. FSAQ-2103 (Ornamental Fish production & Management): Value
addition, colour enhancement, Gene editing and Production
of new strain; hybrids.

5. Coastal Aquaculture & Mariculture (FSAQ-2204) - Pompano,
Reef fisheries, Hilsa.

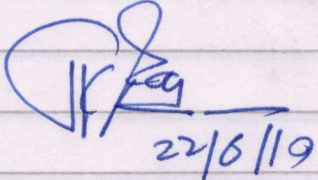

6. Therapeutics in Aquaculture (FSTHM): Introduction to Anti
Microbial Resistance (AMR)

7. Shell fish Hatchery Management (FSAQ-2206) - L. vennamei
Breeding & Hatchery Management.

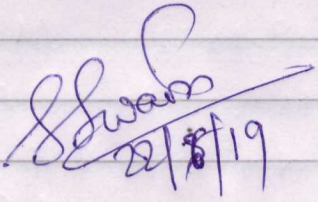

8. Fish Toxicology (FSTHM 3105) - Endocrine disruptors
Chemicals

9. Fisheries Co-operative and Marketing (FSEE 3104) - NCDC,
FISHCOFED, NFDB, MPEDA

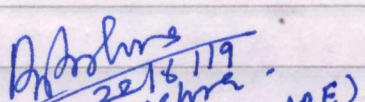

10. Fisheries policy and Law (FSEE-3203) - Odisha, Fisheries
policy-2015

School of Engineering & Technology

Department of Civil Engineering

Date: 22/06/2019

MINUTES OF BOARD OF STUDIES MEETING held on 22/06/2019

Venue: Board Room, CUTM, Bhubaneswar

Time: 11.00 a.m.

The Board of Studies (BoS) meeting of Department of Civil Engineering was held on 22/06/2019 at 11 a.m. in the Board Room, CUTM Bhubaneswar. The following are the members:

1. Dr. Vazeer Mahmood, Professor, Dept of Civil Engg., Andhra University
- 2 Dr Siba Prasad Mishra, , Internal Expert
- 3 Prof. Prafulla Kumar Panda, Internal Expert
- 4 Prof. Sagarika Panda, Internal Expert
- 5 Prof. Kamal Kumar Barik, Internal Expert
- 6 Prof Rakesh Kumar Jena, Internal Expert
- 7 Prof Prashant Nayak, Internal Expert

The Chairperson welcomed all members of the Board and briefly outlined the purpose of the meeting. Thereafter, the Head of the Department of Civil Engineering presented the achievements and improvements of the department in the areas of academics, research, consultancy and infrastructure.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 30/06/2018 were confirmed.

Agenda 2: Discussion and approval on any revision required in the Curriculum of B.Tech, Civil Engg. , M.Tech Structural Engineering and M.Tech Transportation Engg.

The HoD, Civil Engg. gave a presentation on the feedback received on curriculum outlining the suggestions made by the various stakeholders. Based on this , the Board accepted and approved a few suggestions for course revision to be implemented from the Academic Year 2020-21.

- The syllabus was highly appreciated because the university follows Choice-based Credit system and courses relevant to the advancement in Mechanical Engineering are put in the syllabus.
- The members noted that the courses are mostly industry-oriented and also provide scope for competitive examination like UPSC, GATE etc. The members remarked that the syllabus is designed to enhance skill level of the students.
- The syllabus offers scope for gaining knowledge in other branches of engineering. Also offers scope to enhance on knowledge in AI, Machine learning, Nano Technology, Data science, SAP etc.
- The syllabus is best suited for each semester, but certain courses need to be modified.
- The syllabus is good but as compared to the content of syllabus, the credits are very less.

- The syllabus is quiet useful. There should be more practice subjects to increase student efficiency and skill.
- The Board approved the updation of the courses important from higher studies point of view and replacement of contents of open basket with new courses with greater practice component. (Annexure A.)
- Discussion on modification of syllabus of Basket-5.
- The domain course should be taught in practice and project mode.
- The Board approved the changes suggested in the Hydraulics and Hydraulic machine, Disaster Management, Transportation Engg. And Water supply and sanitary engineering as per the latest Software and technology being used by the industry. List of existing courses where syllabus was revised in (Annexure B & C)

Agenda 3: Inclusion of courses on life skills and value addition

It was suggested that students take up the various courses offered by the University in the areas of life skills and value addition for their overall improvement and well being. The same was agreed upon and approved by the Board members. (Annexure D)

The HoD, Department of Civil Engg. extended sincere thanks to all members of the Board.

The meeting ended with a vote of thanks to the Chair.

Considered the syllabus basket-IV & V
and following recommendations were made.

Basket-IV.

CECC-0103 - Hydraulics and Hydraulic machine.

module-1. Integral momentum Equation (only introductory)
Add - Introductory to ^{NC Etc} ~~NC Etc~~
module - Inclination of ^{NC Etc} ~~NC Etc~~ - module - 4. - Sudden
Transition should mention module-5, ^{NC Etc} ~~NC Etc~~ - surface profiles
) direct step method.

Disaster management.

module-3. THe - shift chge to manmade disaster

Estimation: Addition of few theory lectures

Foundation - module-1 XRF should be made optional

module-7 - Addition of liquefaction,
overall concept should be covered subsurface
design in all practices

Transportation

module-1. - Types of road should included

module-6 - To be shifted to module-2 with
subsequent changes.

Water supply

module - Design of water supply system
instead of present one.

Irrigation

module-7 - Addition of Reservoir types, capacity etc.

Practice Part (B) addition of Estimation of a design
discharge for a given project.

Ref. Book.

Irrigation Engg B.C. Punmia.

Domain - 5

→ Geo Technical investigation.

Module - 6: Necessity of Water Table Study in
Geo Tech of Engg.

→ Title of the course project amongst project
study management. shd be chng.

Proceedings of the Board of studies in
M.Sc in Geoinformatics - held on
22.06.2019.

1151

Members Presents: -

1. Prof. K. M. Sethy
2. Rudra Narayan Tripathy
3. Anjan Kumar Mallick
4. Kamal Kumar Baric - Convenor
5. Sagarika Panda - HOD, Civil
Business

1. Resolved that the non-culture M.Sc. in Geomatics should be changes to M.Sc in "Geoinformatics".
2. Minor change in syllabus has been made.
3. In III semester one min project has been added as compulsory subject of "4" credits with a report and presentation.
4. In IV semester "4" credit "web GIS" has been included. The project will be "20" credits.

School of Paramedics and Allied Health Sciences

Date: 22/06/2019

MINUTES OF BOARD OF STUDIES MEETING held on 22/06/2019

Venue: Board Room, CUTM, Bhubaneswar

Time: 11.00 AM

The Board of Studies (BoS) meeting of School of Paramedics and Allied Health Sciences was held on 22/06/2019 at 11 AM in the Board Room, CUTM Bhubaneswar.

The following members were present:

1. Dr. Debi Prasad Rath, M.D. Pathology
2. Dr. Debasish Sahoo, M.D. Microbiology
3. Dr. Amalendu Choudhary, Hi-Tech Medical College and Hospital
4. Prof. Sunil Kumar Jha, Dean SoPAHS
5. Dr. Soumya Jal, HoD SoPAHS
6. Ms. Sonali Dash, Faculty SoPAHS

All the members were welcomed to the session by the Chairperson and were briefed regarding the purpose of the meeting. Thereafter, the Dean of SoPAHS presented on the achievements, improvements of the department in terms of academics and infrastructure.

Following are the programs offered by SoPAHS:

- MSc Medical Laboratory Technology (MSc MLT)
- MSc Applied and Clinical Microbiology (MSc CMB)
- BSc Medical Laboratory Technology (BSc MLT)
- BSc Clinical Microbiology (BSc CMB)
- BSc Medical Radiation Technology (BSc MRT)
- BSc Optometry (BSc Optom)

Agenda of the meeting:

Agenda 1: The minutes of the last meeting of the BoS held on 30.06.2018 were confirmed.

Agenda 2: Discussion and approval on the content of syllabus for various courses of SoPAHS.

At first, the Dean of the school presented the feedback received from several stakeholders, on the curriculum of its various departments. With respect to the feedback received from the stakeholders, the committee discussed and approved for incorporation/ modifications in the curriculum for the Academic session 2019-18.

- The nomenclature for BSc Radiology and Imaging Technology was changed to BSc Medical Radiation Technology (BSc MRT) based on the requirement of the DMET council, Odisha.
- The structure and content for the courses of BSc Medical Radiation Technology, BSc Optometry were discussed and approved without any further revision.
- The committee approved to introduce the following programmes in SoPAHS:
Bachelor of Physiotherapy;
BSc MLT (Work Integrated);
BSc Anaesthesia Technology;
BSc OT-AT.
- Based on the feedback received from the stakeholders to incorporate more practical aspects, the committee approved modifications into the curriculum of the MLT; MSc MLT; BSc CMB; MSc CMB.
- Clinical Pathology was incorporated to the syllabus of MLT and CMB departments, based on the industrial need.
- It was also suggested to incorporate molecular diagnostic techniques into the curriculum of MLT and CMB.
- The committee discussed to emphasize on the research-based learning of the students, and therefore, Mini project was incorporated into the curriculum.
- The courses were structured to enhance the skill and industry-based learning and to improve scopes for competitive examinations.
- New courses added into the curriculum are provided in *Annexure A*.
- Modifications in syllabus are provided in *Annexure B*.

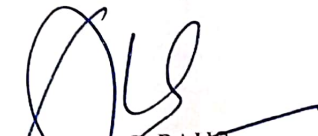

Agenda 3: Inclusion of courses on Domain, life skills and value addition

For their overall development and wellbeing of the students, it was advised that students enroll in the various life skills and value-adding courses that are offered by the university. The Board members agreed and gave their approval to the same.

Details of Domain courses, life skill and value added courses introduced are mentioned in *Annexure C*.

The Dean, SoPAHS extended sincere thanks to all the members of the Board.

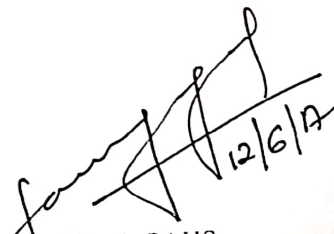

The meeting ended with a vote of thanks to the Chair.

School of Management

Date: 06.07.2018

MINUTES OF BOARD OF STUDIES MEETING held on 30.06.2018

Venue: Board Room, CUTM, Bhubaneswar

Time: 11.00 a.m.

The Board of Studies (BoS) meeting of School of Management was held on 30.06.2018 at 11 a.m. in the Board Room, CUTM Bhubaneswar. The following members were present:

1. Dr. Smita Mishra Panda, Director Research, CUTM
2. Dr. Anita Patra, Registrar, CUTM
3. Dr. Prasanta Kumar Mohanty, Dean, Academics, CUTM
4. Dr. Ashok Kumar Mohanty, Retd. Professor, Berhamur University
5. Dr. Rashmi Ranjan Parida, PGP Coordinator, CUTM
6. Dr. Pramod Kumar Patjoshi, Faculty, CUTM
7. Dr. Bibhunandini Das, Faculty, CUTM
8. Dr. Umakanta Nayak, Faculty, CUTM
9. Prof. Shiv Sankar Das, Faculty, CUTM
10. Prof. KVD Prakash, Faculty, CUTM
11. Dr. Bijay Bhujabal, Dean, SoM, CUTM

The Chairperson, CUTM welcomed all members of the Board and briefly outlined the purpose of the meeting. Thereafter, the Dean, SoM presented the achievements and improvements of the School in the areas of academics, research, consultancy and infrastructure.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 12.06.2017 were confirmed.

Agenda 2: Discussion and approval on revision required in the Curriculum of MBA Program

- The Dean, SoM presented the MBA curriculum based on the feedback and suggestions made by the various stakeholders. Board discussed the curriculum thoroughly and approved the following suggestions for course revision to be implemented from the Academic Year 2018-19 (*Annexure-I*).
 - A new Area of Electives was introduced in Hospital Management with 48 credits.

Agenda 3: Discussion and approval on revision required in the Curriculum of MBA-DM & ABM program

The Dean, SoM presented the MBA- DM&ABM syllabus developed in collaboration with representatives of Norwegian University of Science and Technology (NTNU) and suggestions made by the various stakeholders. The Board accepted and approved the curriculum to be implemented from the Academic Year 2018-19 (*Annexure-II*).

Agenda 4: Discussion and approval on revision required in the Curriculum of BBA program

- BBA syllabus was presented based on the suggestions made by the various stakeholders . The Board accepted and approved the existing syllabus without changes for the academic year Year 2018-19.

Agenda 5: Discussion and approval on revision required in the Curriculum of BBA program

- B.Com syllabus was presented based on the suggestions made by the various stakeholders . The Board accepted and approved the existing syllabus without changes for the academic year Year 2018-19.

Agenda 6: Inclusion of courses on life skills and value addition

Various courses were presented to be offered by the University in the areas of life skills and value addition for the overall improvement and well being of students. The same was agreed upon and approved by the Board members. (Annexure-III)

The Dean, SoM extended sincere thanks to all members of the Board.

The meeting ended with a vote of thanks to the Chair.

Department of Mechanical Engineering

Date: 30/06/2018

MINUTES OF BOARD OF STUDIES MEETING held on 30/06/2018

Venue: Board Room, CUTM, Bhubaneswar

Time: 11.00 a.m.

The Board of Studies (BoS) meeting of Department of Mechanical Engineering was held on **30/06/2018** at 11 a.m. in the Board Room, CUTM Bhubaneswar.

The following are the members:

1. Er. Rabindra Sah Chief Engineer, TATA Technologies
2. Prof.S.S Mohaptra Professor, NIT Rorkela
- 3 Prof.Tapan Rath Adjunct Professor, CUTM
4. Prof. P.S. Rao Dean Research, CUTM Paralakhemundi
5. Prof. Ramana Rao Dean, CUTM, AP
6. Prof. Ipsita Mishra HOD. ME, BBSR
7. Dr. R.C Mohanty Professor, SOET, Mechanical
8. Prof. Sukanta Nayak CUTM, PKD Campus
9. Mr. Sudeep Kumar Singh CUTM, Jatani Campus
10. Mr. Chandan Kumar Jena, Student
11. Mr. Ravi Kumar, Student
12. Mr. Hrusikesh Mishra, Alumni
13. Mr. Mohit Singh Alumni

The Chairperson welcomed all members of the Board and briefly outlined the purpose of the meeting. Thereafter, the Head of the Department of Mechanical Engineering presented the achievements and improvements of the department in the areas of academics, research, consultancy and infrastructure.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 12.06.2017 were confirmed.

Agenda 2: Approval for B.Tech Mechanical Engineering Course structure and syllabus for basket 3 and 4 of CBCS system.

The HoD, Mechanical Engg. gave a presentation on the feedback received on curriculum outlining the suggestions made by the various stakeholders. Based on this , the Board accepted and approved a few suggestions for course revision to be implemented from the Academic Year 2018-19.

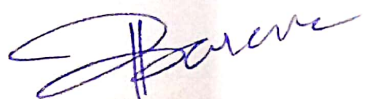

- Contact hour need to be less and more hours should be allotted for practice.
- As per the AICTE Regulation, to give extra 20 credits for specialization as major degree and minor degree.
- Subject wise feedback was given for courses in basket 3 and basket 4.
- In Geometric Modelling contact hours were noted to be very less.
- Actual design is missing in metrology syllabus. For Robotics pre-requisite should be geometric modelling.
- In Digital Manufacturing, Delmia Quest software to be used.
- The Board approved the updation of the courses important from higher studies point of view and replacement of contents of open basket with new courses with greater practice component. List of new courses added in (*Annexure A.*)
- Structure and contents of all courses for basket 3 and 4 was discussed.
- Focus on theoretical aspects should be more in Mechanics.
- The students need to be given basic idea about fundamentals of projection.
- No repetition of the content in any course.
- Time duration of the course to be in accordance with credit requirement.
- One-month orientation program is being conducted for new joining students where exposure is given to students on new technology and domain.
- The Board approved the changes suggested in the Mechanics, Geometric Modelling, Metrology, Workshop Practice as per the latest Software and technology being used by the industry. List of existing courses where syllabus was changed in (*Annexure B*)

Agenda 3: Inclusion of courses on Domain, skills and value addition

It was suggested that students take up the various courses offered by the University in the areas of life skills and value addition for their overall improvement and well being. The same was agreed upon and approved by the Board members. (*Annexure C*)

The HoD, Department of Mechanical Engg. extended sincere thanks to all members of the Board.

The meeting ended with a vote of thanks to the Chair.

Department of Zoology

Date: 30.06.2018

MINUTES OF BOARD OF STUDIES MEETING held on 30.06.2018

Venue: Board Room, CUTM, Bhubaneswar

Time: 11.00 a.m.

The Board of Studies (BoS) meeting of Department of Zoology was held on 30.06.2018 at 11 a.m. in the Board Room, CUTM Bhubaneswar. The following members were present:

1. Prof. Animesh Kumar Mahapatra, Professor, Dept. of Life Science, (Regional Institute of education) ,BBSR
2. Dr. Siba Prasad Parida, HoD, Dept. of Zoology, SoAS, CUTM, Bhubaneswar
3. Mr. Debasish Tripathy, Dept. of Zoology, SoAS, CUTM, Bhubaneswar
4. Dr. Sitaram Swain, Dept. of Zoology, SoAS, CUTM, Bhubaneswar

The Chairperson welcomed all members of the Board and briefly outlined the purpose of the meeting. Thereafter, the Head of the Department of Zoology presented the achievements and improvements of the department in the areas of academics, research and infrastructure.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 12th June, 2017 were confirmed.

Agenda 2: Discussion and introduction of new Domain and Skills courses in the curriculum of B.Sc. Zoology (Hons.) to be approved.

- The HoD, Zoology gave a presentation on the feedback received on curriculum outlining the suggestions made by the various stakeholders. Based on this, the Board accepted and approved a few suggestions for the courses and programme to be implemented from the Academic Year 2018-19.

Agenda 3: Introduction of new programme (M.Phil. Zoology and Ph. D Zoology)

- The M.Phil. Zoology programme was introduced and the syllabus for 1 year was prepared and approved after necessary modification as per UGC Guideline.

- Ph. D Zoology programme was introduced and approved after necessary modification as per UGC Guideline.

Agenda 4: Inclusion of Domain courses

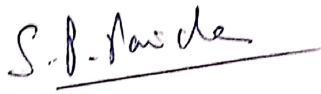

- Inclusion of two domain courses in B.Sc. Zoology (Hons.) with the existing courses in the areas of life science for their overall improvement and well-being were approved by the Board members. (Annexure-I)

Agenda 5: Inclusion of courses on life skills and value addition

- Inclusion of six skill courses in B.Sc. Zoology (Hons.) with the existing courses in the areas of life skills and value addition for their overall improvement and well-being were approved by the Board members. (Annexure-II)

The HoD, Department of extended sincere thanks to all members of the Board.

The meeting ended with a vote of thanks to the Chair.

CENTURION UNIVERSITY OF TECHNOLOGY AND MANAGEMENT

MS Swaminathan School of Agriculture

Date: 12.06.2017

MINUTES OF BOARD OF STUDIES MEETING held on 12.06.2017

Venue: Board Room, CUTM, Bhubaneswar

Time: 11.00 a.m.

The Board of Studies (BoS) meeting of MS Swaminathan School of Agriculture was held on 12.06.2017 at 11 a.m. in the Board Room, CUTM Bhubaneswar. The following members were present:

1. Prof. P.K. Mahapatro
2. Prof. B K Mishra
3. Prof. M. Devender Reddy
4. Prof. Satya Prasad Nanda

The Chairperson welcomed all members of the Board and briefly outlined the purpose of the meeting. Thereafter, the Dean of the MS Swaminathan School of Agriculture represented the achievements and improvements of the department in the areas of academics, research, consultancy and infrastructure.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 12.06.2017 were confirmed.

Agenda 2: Discussion and approval on any revision required in the Curriculum of B.Sc Agriculture

- The Dean Agriculture. gave a presentation on the feedback received on curriculum outlining the suggestions made by the various stakeholders. Based on this, the Board accepted and approved a few suggestions for course revision to be implemented from the Academic Year 2017-18.
- The syllabus of 3rd to 8th semester of B. Sc agriculture. was considered and approved by the Board.
- The Board approved the updation of the courses important from higher studies point of view and replacement of contents of open basket with new courses with greater practice component
- Courses that can be executed in Practice mode were placed for approval to be reconfigured to Theory + Practice and Project + Practice.
- The Board approved the revision of the syllabus of the Construction Domain in keeping with the latest requirements of the industry.

Agenda 3: Inclusion of courses on life skills and value addition

It was suggested that students take up the various courses offered by the University in the areas of life skills and value addition for their overall improvement and well being. The same was agreed upon and approved by the Board members.

The Dean , MS Swaminathan School of Agriculture. extended sincere thanks to all members of the Board.

The meeting ended with a vote of thanks to the Chair.

M. Swaminathan 12/16/2017

S. K. P.
Dean Administration 12/16/17

Proceedings of the Board of Studies held on 12th June 2015 at 10 AM.

(B.Sc Agriculture)

Members present

Dated: 12.06.17

1. Prof. (Dr.) P.K. Mahapatra, former Dean, OAT.
2. Prof. (Dr.) B.N. Mishra, - do -
3. Prof. (Dr.) M.D. Reddy, Dean (Academics) MSSCOA
4. Dr. S.P. Khanda, Dean (Admin) "

The members have gone through the prepared curriculum and syllabus and suggested the following things for modification:

B.Sc Ag

1. The course fundamentals of Biochemistry should be 3 credits (2+1) instead of (1+1), total credits in 3rd semester should be 24 (15+9)
2. In semester III, ^{Under} Crop Production Part I, it should be Wheat crops
In " IV, " " V, " " Rabi crops
3. In semester IV, DFHC at their Agmt - I should be deleted with field crops.
4. In semester VI, Principles of Integrated part of Agmt must be offered by both Ento and Pathology department (50% each)
5. In semester - I, the remedial course must be ^{taken into} account ~~not~~ while calculating total CAPA.
6. An elective course can be offered provided there must be minimum of 30 students.
7. The climatic smart agriculture should be included ~~not~~ in place of climatic semiotic agriculture and ~~agribusiness~~

Should be included in FE subjects.

8. In modular courses the course on Insect pests & biofertilizers
Prevention should have biopesticides also.

9. The AELP should be a Continuous Process.

M.Sc Ag

1. Agronomy: Computer & Core Courses are

AGROM 501, 503, 504, 506, 507, 511, 512
591, 599

2. Fruit Science: FSC 501, 504, 505, 506, 507, 508, 511,
591, 599

Add Fruit Preservation ^{if it} should be a minor for the
Vegetable science students

Add vegetable preservation in vegetable science and it
should be minor for fruit science students.

Vegetable Science: VSC 501, 502, 503, 504, 505, 507, 509,
591, 599

Agricultural

3. Extension and communication: EXT 502, 503, 504, 505
Core courses: 506, 512, 591, 599

4. Genetics and Plant Breeding: GP 501, 502, 503, 504, 505
Core course: 508, 509, 591, 599

5. Plant Mol. Biology and Biotechnology: MAB 501, 502, 503, 505
Details are given in the appendix 507, 509, 552, 591, 599

School of Engineering & Technology

Department of Computer Science and Engineering

Date: 02.06 2017

MINUTES OF BOARD OF STUDIES MEETING held on 02.06.2017

Venue: Board Room, CUTM, Bhubaneswar

Time: 11.00 a.m.

The Board of Studies (BoS) meeting of Department of Computer Science and Engineering was held on 02.06.2017 at 11 a.m. in the Board Room, CUTM Bhubaneswar. The following are the board members:

1. Dr. M. Vamsi Krishna, HOD CSE
2. Mr. Ramprasad Patnaik, Industry Expert from Infosys
3. Sumanjit Das, Asst. Prof., CSE
4. Swati S. Barik, Asst. Prof., CSE
5. Sankarsan Biswas, iNurture Education Solutions
6. Dr. Prasant Kumar Mohanty, Dean, SoET

The Chairperson welcomed all members of the Board and briefly outlined the purpose of the meeting. Thereafter, the Head of the Department of Computer Science Engineering presented the achievements and improvements of the department in the areas of academics, research, consultancy and infrastructure.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 20.06.2016 were confirmed.

Agenda 2: Discussion and approval on any revision required in the Curriculum of B.Tech, Computer Science Engg.

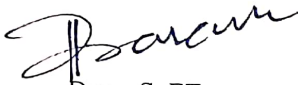

- The HoD, Computer Science and Engg. gave a presentation on the feedback received on curriculum outlining the suggestions made by the various stakeholders. Based on this, the Board accepted and approved a few suggestions for course revision to be implemented from the Academic Year 2017-18.
- The syllabus revision of 3rd to 8th semester of B. Tech, Computer Science and Engg. was considered and approved by the Board.
- The Board approved the changes suggested in the existing syllabus and some new courses added as per the latest Software and Technology being used by the industry. (Annex-1)
- Industry Collaborations have been made for Silicon Tech Lab for Data Analytics Domain, Aspire Mind for Software Technology, and GIET India for Internet Security Domain. (Annex 2)
- Courses that can be executed in Practice mode were placed for approval to be reconfigured to Theory + Practice and Project + Practice.

Agenda 3: Inclusion of courses on life skills and value addition

It was suggested that students take up the various courses offered by the University in the areas of life skills and value addition for their overall improvement and well being. The same was agreed upon and approved by the Board members. (Annex 3 and Annex 4)

The HoD, Department of Computer Science and Engg. extended sincere thanks to all members of the Board.

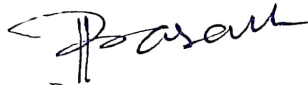

The meeting ended with a vote of thanks to the Chair.

Date: 20.06.2017

MINUTES OF BOARD OF STUDIES MEETING held on 12.06.2017

Venue: Board Room, CUTM, Bhubaneswar

Time: 11.00 a.m.

The Board of Studies (BoS) meeting of School of Management was held on 12.06.2017 at 11 a.m. in the Board Room, CUTM Bhubaneswar. The following are the board members:

1. Dr. Haribandhu Panda, Vice Chancellor, CUTM
2. Dr. Smita Mishra Panda, Director Research, CUTM
3. Dr. Anita Patra, Registrar, CUTM
4. Dr. Prasanta Kumar Mohanty, Dean Academics, CUTM
5. Dr. Ashok Kumar Mohanty, Retd. Professor, Berhamur University
6. Mr. Mathew Anthony, Director, iNurture
7. Prof. Rashmi Ranjan Parida, PGP Coordinator, CUTM
8. Dr. Pramod Kumar Patjoshi, Faculty, CUTM
9. Dr. Ansuman Jena, Faculty, CUTM
10. Prof. Umakanta Nayak, Faculty, CUTM
11. Prof. KVD Prakash, Dean, SoM, CUTM

The Chairperson, CUTM welcomed all members of the Board and briefly outlined the purpose of the meeting. Thereafter, the Dean, SoM presented the achievements and improvements of the School in the areas of academics, research, consultancy and infrastructure.

The following agenda items were taken up subsequently:

Agenda 1: The minutes of the last meeting of the BoS held on 02.06.2016 were confirmed.

Agenda 2: Discussion and approval on revision required in the Curriculum of MBA program

- The Dean, SoM gave a presentation based on the feedback received on curriculum outlining the suggestions made by the various stakeholders. Based on that, the Board accepted and approved the following suggestions for course revision to be implemented from the Academic Year 2017-18 (*Annexure-I*).
 - A new Area of Electives was introduced in Hospital Management with 40 credits.
 - A new Area of Electives was introduced in Digital Marketing & E-Commerce with 42 credits.
 - Courses in which revision was undertaken were Quantitative Techniques in Semester-I and Operation Research in Semester-II. (Decision Perspective of Management of 2 credit was converted into two subjects i.e. QT and OR comprising of six credit) of two subjects.

Agenda 3: Discussion and approval on revision required in the Curriculum of MBA-DM & ABM program

- The Dean, SoM presented the feedback received on curriculum outlining the suggestions made by the various stakeholders . Based on that, the Board accepted and approved the following suggestions for course revision to be implemented from the Academic Year 2017-18 (*Annexure-II*).
 - A new area of elective was approved to be offered in Agri-business management.
 - The name of the programme was changed to MBA- DM &ABM.

Agenda 4: Discussion and approval on revision required in the Curriculum of BBA program

- BBA syllabus was presented based on the suggestions made by the various stakeholders . The Board accepted and approved the existing syllabus without changes for the academic year Year 2017-18.

Agenda 5: Discussion and approval on revision required in the Curriculum of B.Com program

- The Dean, SoM presented the newly developed syllabus for B.Com and after thorough discussion of courses, the program and syllabus was approved (*Annexure-III*).

Agenda 6: Inclusion of courses on life skills and value addition

It was suggested that students take up the various courses offered by the University in the areas of life skills and value addition for their overall improvement and well being. The same was agreed upon and approved by the Board members. (*Annexure-IV*)

The Dean, SoM extended sincere thanks to all members of the Board.

The meeting ended with a Vote of Thanks to the Chair.
