Subject: How to Write a Book Chapter

About the session:

This session aims to equip the faculties with necessary skillset and technicality to write book chapters and publish them. The session plan includes Naming a book chapter, Introduction, Literature review, Key findings, Recommendations, Conclusion & references. It also has session on plagiarism and how to label figures and tables in the chapters.

Objectives:

- To find appropriate publisher for your book chapter
- To give proper framework/structure to the book chapter
- To avoid and minimise plagiarism and improve the writing style

Outcomes

The session was very interactive and informative. Knowledge about publishing houses, their criteria and formats for book chapters were discussed. Participants learnt about the importance of a proper structure of a book chapter and Title. Participants also learnt about how to enrich the contents of the chapter, searching & adding references and lot of other

things. The speaker emphasised more on good content and flow of the topics in the chapter which will give the readers a good reading experience.

Interaction of Resource Person with the Participants
