Number of Participants: 28

Resource Person: Samuel Crotty

About resource person: Samuel Crotty was an Internship (Youth Mentoring) at Centurion University Technology and Management and deals with development and implementation of a student counseling program, promotion of mental health and wellbeing on campus, and delivery of professional development for university staff in the area of mental health.

About the session:

Highlights of some of the Qualitative Feedback (Takeaways / Key learning points from this program)

- What are the reasons for disengagement & how we can categorize them into different systems.
- What is the caption of these different categories & how can prepare them i.e. by a good mental health for them.
- How much we can understand students and guide them if they are not in the way to move in the right path.
- Friendly interaction with students. Motivation & close and survey.
- Should provide the chanced based course as theory & practical as per student interest area.
- Students need motivation, encouragement and patience from teachers to perform better.
- Students should be allowed to do what they like.
- Rapo between teacher and student is necessary for a successful and good class and students improvement.
- How to deal with situations on a personal and societal level.
- Main causes of disengagement. How to deal with situations on a personal and societal level. Importance of interpretation of an issue.
- Environmental factors significantly influence students' behavior. We learnt about micro, meso and macro factors.

- Faculty members can influence the students' performance, and we learn about mental health.
- Learn about engagement and empowerment of students.
- We should first give ideas to students and facilitate them about the topic. Elicit from the students more.
- Understanding the factors influencing the disengaging behavior is very important.
- Motivating the students in the right path can be difficult but must be done patiently. Showing empathy is of utmost importance.

Feedback from the participants:

Did the program meet your expectations?	94%
