DRONE

Date: 12-6-2017 to 13-06-2017

Resource Person

Mr. Satyanarayan Padhy

No. of Participants: 33

Venue: CIT, Bhubaneswar campus

About resource person: Mr. Satyanarayan Padhy completed a Masters Degree in Control and Instrumentation from Motilal Nehru National Institute of Technology (MN-NIT) Allahabad, and B.Tech in Electronics and Instrumentation Engineering from Jagannath Institute for Technology and Management under B.P.U.T. He has 10 Years of Teaching Experience.

About the Session: The training programme started at 1.30 PM on 12th June at Seminar hall with all the sponsored faculty of CUTM along with the three young stars of OmniPresent, Robot Technology. The Day-1 finished with a formal PPT presentation which includes the details of X8 and X4 drones for industries. The generic presentation covered the external peripheral details of the drone given to us. The services provided by the company have also been covered in the presentation. The next day it was quite interesting as they were given training on how to fly the drone.

Objective:

- To increase knowledge and interest of participants to use drones for commercial use in various fields.

Outcome: The participants got the practical exposure and the knowledge regarding how to fly the drone in the training. The details of X8 and X4 drones for industries were demonstrated in this training.
