DO. No. SCH-11/2/2021-SNP

Dear *Colleagues,*

COVID-19 has put our existing district/local-level healthcare system under unprecedented stress. Either the existing health facilities do not have enough health technicians, or there are plans to expand the health infrastructure in light of this pandemic. It is, therefore, imperative that healthcare system be strengthened by creating a workforce of healthcare professionals in job roles relevant and related to services required for COVID-19. Towards this, following course of action is suggested.

Customized crash courses in six job roles under central component of PMKVY 3.0

2. Ministry of Skill Development and Entrepreneurship (MSDE) is formulating customized National Occupational Standard (NOS) based 6 COVID-19 related job roles as suggested by Healthcare Sector Skill Council (HSCC) under central component of Pradhan Mantri Kaushal Vikas Yojana 3.0 (PMKVY 3.0) for skilling/ upskilling with an objective to create large pool of trained skilled healthcare professionals. These job roles are:

- a. Emergency Medical Technician- Basic
- b. General Duty Assistant (GDA)
- c. GDA – Advanced (Critical Care)
- d. Home Health Aide
- e. Medical Equipment Technology Assistant
- f. Phlebotomist

(It may be noted that the job role of Medical Record Assistant has been included in the above-mentioned six job roles.)

3. Training under these job roles would be a compressed one involving maximum on month of training followed by a period of on the job training, which can be taken up in PHCs/ Govt Hospitals in Districts/ Other hospitals, in which they will be working in the hospitals while finessing their skills.

4. Since there are reports of shortage of technical personnel in existing health facilities, and there are reports of expansion of such facilities in the districts, this is a great opportunity for creating local skilled personnel to service such facilities. It will be fruitful, if you can identify the number of skilled personnel required to be trained, under various job roles. This identification may be done by the District Administration, and for mobilization of candidates for being trained against this demand, help may be taken of the District Skill Committee (DSC).

5. Hence, District Collectors may be requested to urgently share the job-role wise number of candidates they will like to be trained in the above-mentioned job roles for initiating the programme latest by 01st June, 2021. The job-role wise number of candidates may be uploaded in the Skill India Portal (SIP) directly at <https://skillindia.nsdcindia.org>. The DSCs may also start mobilizing candidates at the ratio of 1:1.5 for being trained.

6. In these circumstances, may I request you to kindly advise following to State Skill Development Missions (SSDMs) and District Administrations:

5 days before the commencement of any RPL activity (including mobilization) in any district, the District Magistrate of the concerned district is to be informed via a letter. The format of the letter to be shared with the District Magistrate Office is attached. Please read the instructions carefully. The prescribed format is to be sincerely followed and a scanned copy of the letter is to be shared via email to the concerned State Engagement Officer (email ids of State Engagement Officers attached). The same is also to be compiled and submitted in the Monthly Performance Report.

- **E-book Submission**

For the final project assessment an E-Book is to be submitted by the PIA. A sample of the E-book is attached for easy reference. A similar and detailed approach is to be adopted.

- **Social Media**

- Please use #PMKVY and #SkillIndia on all your posts and tweets. This will help us track your posts and tweets.

- Please ensure that you are tweeting and posting about all the developments of the project from project launch (and any press clippings in mainstream media) to registration and induction kit distribution to actual training process, certification etc. Each of these should be documented along with pictures and videos as appropriate.

- Candidate testimonials: PMKVY is the flagship scheme in the area of skill development and both the Hon'ble Minister and the Hon'ble PM are extremely interested in hearing directly from the target beneficiaries of the program. To this end, the most effective way of doing this is through candidate testimonials. There are two ways to do this:

a) You can facilitate your candidates in setting up a social media account on Twitter and help them tweet their experience. They can use this opportunity to thank the Minister and the PM instituting this scheme and talk about exactly how the scheme has helped them in getting an employment etc.

b) You can take short videos on your phone of candidates talking about the scheme and thanking the Minister and PM and upload that video on your twitter handle and Facebook page.

In both cases please make sure that you use #PMKVY and #SkillIndia and tag the Minister and the PM share the links with me so that I can share them further.

- Please refer to the attached files for further reference (Social Media Guidelines and Format for Success Stories).

- **Udyami Mitra Loan:-**

PIA are requested to upload the details of those candidates who want to set up their own business. Please bear in mind the job role on which they have been trained should enable employment opportunities. The details have to be uploaded on the Udyami Mitra Portal (<https://udyamimitra.in/>). The process details for uploading data on Udyami Mitra portal and details of the portal are in the attached document. The training centers are also requested to intimate NSDC of total number of candidates uploaded on the Udyami Mitra portal via this google form link: https://docs.google.com/forms/d/e/1FAIpQLSd3_XLVvzA9yLr8W5z1pZkLc7hNVx026JpmDhw9606D1yEDig/viewform?usp=sf_link.

Please be aware that you will have to once register the candidates on the Udyami Mitra portal and then update details on the google form link as well. It is a two-step process.

- **Induction Kit**

Every enrolled candidate must be provided with a job-role specific kit. To ensure quality of the items included in the kit, mandatory job-role kit items are to be procured from NSDC empaneled vendors. Vendor details are as follows -

Orchid Corporate Services Private Limited
