28. NATIONAL VOLUNTARY BLOOD DONATION CAMP

The National Voluntary Blood Donation Day, on 13th October 2017 will be observed at Jayadev Bhavan, Bhubaneswar at 10.00 A.M. Honourable Chief Minister of Odisha and Minister, Health & Family Welfare along with other dignitaries will grace the function. During the state level function, there will be a voluntary blood donation camp.

As planned, a group of 12 students attended the National Voluntary Blood Donation Day function and donated blood in the camp organized for the occasion. Thanks and congratulations to all the participants.

29. CITYCHANGERLAB: INNOVATIVE & WORKABLE IDEAS / MODELS TO IMPROVE URBAN LIVING

Bhubaneswar Smart City Limited & Bhubaneswar Municipality Corporation is working in Collaboration with United Nations Population Fund to strengthen the social components of Smart City. These interventions that target youth are being held at the level of slums and educational institutes of the city. The objectives of the intervention are to promote active citizenship leadership and volunteerism amongst the youth. It also aims to create a forum to enable youths to become a part of development planning.

City changer labs are a unique way to involve youths through their innovation to contribute to better of city life and contribute to the betterment and making the city socially smart. The focus of the project is to strengthen the social components and improve urban living. In this context ideas/working modes are hereby invited from educational institutes.

We are happy to inform you that one of the projects from our University selected in the "City Changer Lab" competition. There were three groups selected from the last IoT workshop using Raspberry Pi @ 24th-28th Oct, those who participated in the competition held on 16th Nov 17 at Bhubaneswar Smart City Ltd, IDCO Tower.

There were 40 groups participated from different Institutions/Universities in the state level competition out of which 8 groups selected for the prize. All participating groups will be getting participation certificate & the winner "Smart Trash-Bin" group will be getting a Cash prize of Rs. 5,000/- & certificate from Honorable Chief Minister of Odisha, Sri Naveen Patnaik.

Please find some photographs of today's interaction.

30. ENVIRONMENTAL AWARENESS PROGRAM

We need to be educated about the consequences of the effects of global warming and climate change at. The world has moved to a more individualistic society, where people are losing touch with nature, and the impacts we human beings are having on it.

Let me introduce Ms. Naomi Frasor, a student of Social work at RMIT, Australia to you. She is working in the field of environmental issues and challenges. She is interested to work with a small group of students to help mobilize the group passionate about the environment that is student led and sustained.

So we will be creating a student-led environmental forum/green group which will be led by Ms. Naomi Frasor and later on the group will take initiatives on their own.

The expected benefits out of the group;

- To create a community of like minds
- To promote environmental awareness campaigns
- To understand what the pressing environmental issues are for the student community
- To frame, reframe and discuss issues from a variety of perspectives
- To improve social bonds
- To engage students in these issues through short films
- To discuss ways we can have a positive impact on the environment
- To work with the students towards tangible outcomes. We had one interactive session on Environmental Issues and Awareness with Ms. Naomi Frasor at 5.30 PM in Room No-17, Aryabhatta Building.

31. MEGA VOLUNTARY BLOOD DONATION CAMP
