Dear Applicant,

We would like to invite you to the interview process with ICICI Bank. Please find the details below for the interview for **shortlisted candidates**:-

1. Profiler Test - Request you to please complete the Profiler Test in **Profiler Tab** in your account after doing registration in ICICI Career Portal.

2) Assessment Login to unique link for OPQ

<https://talentcentral.eu.shl.com/player/link/baa7ece80596435282e4cad07da6ccfc>

- The candidate is required to sign up at the link provided and create password
 - Next page would ask for the general details again and the page can be skipped by pressing NEXT
 - Following page would display a 'Data Protection Notice', asking you to agree/disagree with its terms and conditions. Click on 'NEXT' to proceed further
 - Personality Assessment page - Click on "Take Assessment" link to start questionnaire
- a. Questionnaire does not have any time limit. However, most people are able to complete the questionnaire in 20 to 25 minutes
 - b. The OPQ is NOT a test. There is no "pass" or "fail" outcome. This is a questionnaire which helps us understand your behavioural preference in a formal environment or a work setting.
 - c. The questionnaire consists of 104 questions each having 3 statements - out of which you must choose one statement which is most like you and one that is least like you
 - d. Please put yourself in a work situation while answering the questions and not social settings.
 - e. There are inbuilt checks in the questionnaire to detect socially desirable responses. Not pondering too long on questions and not trying to guess what ICICI Bank may be looking for, will be helpful while answering the questionnaire.
 - f. There are no rights or wrong answers. We would advise you to go with your first instincts and respond spontaneously.
 - g. Please ensure there are no distractions while you are taking the OPQ and complete it in one sitting. There should be no breaks while responding to the questionnaire.
 - h. At the end of the assessment, check its show 100% and Completed' Tab' and then Logout.

Regards,

Aakash Karan,

HRMG.

Dear Applicant,

We would like to invite you to the interview process with ICICI Bank. Please find the details below for the interview for **shortlisted candidates**:-

1.Profiler Test - Request you to please complete the Profiler Test in **Profiler Tab** in your account after doing registration in ICICI Career Portal.

2) Assessment Login to unique link for OPQ

<https://talentcentral.eu.shl.com/player/link/baa7ece80596435282e4cad07da6ccfc>

- The candidate is required to sign up at the link provided and create password
- Next page would ask for the general details again and the page can be skipped by pressing NEXT
- Following page would display a 'Data Protection Notice', asking you to agree/disagree with its terms and conditions. Click on 'NEXT' to proceed further
- Personality Assessment page - Click on "Take Assessment" link to start questionnaire

- a. Questionnaire does not have any time limit. However, most people are able to complete the questionnaire in 20 to 25 minutes
- b. The OPQ is NOT a test. There is no "pass" or "fail" outcome. This is a questionnaire which helps us understand your behavioural preference in a formal environment or a work setting.
- c. The questionnaire consists of 104 questions each having 3 statements - out of which you must choose one statement which is most like you and one that is least like you
- d. Please put yourself in a work situation while answering the questions and not social settings.
- e. There are inbuilt checks in the questionnaire to detect socially desirable responses. Not pondering too long on questions and not trying to guess what ICICI Bank may be looking for, will be helpful while answering the questionnaire.
- f. There are no rights or wrong answers. We would advise you to go with your first instincts and respond spontaneously.
- g. Please ensure there are no distractions while you are taking the OPQ and complete it in one sitting. There should be no breaks while responding to the questionnaire.
- h. At the end of the assessment, check its show 100% and Completed' Tab' and then Logout.

Regards,

Aakash Karan,

HRMG.
