EASY LOAN ASSISTANCE:

Keeping the current Covid 19 situation in mind, we have received many requests where parents have requested an option to pay their fees monthly and not upfront. We have also realized that this is a difficult situation and at this stage of pandemic bank loans are prohibitive with interests upwards of 12-15% annually.

We have therefore collaborated with Non-Banking Financial Corporation (NBFC) companies, governed by the Reserve Bank of India, who specializes in providing LOW-COST EMI's in the education segment. We have been able to strike a deal where they will be offering a LOW-INTEREST Scheme on your tuition, hostel, transportation and all other fees.
