The session was opened by, Mr. Manoj Nayak, President of, the Alumni Association welcomed the members of the university and the Alumni present at the meeting. He made a brief introduction to the purpose of the meeting. He also briefed about Alumni Association to all the members. Dr. Anita Patra, Registrar, CUTM, led the session she briefs them about the progress and development of the university, In the session, they shared the progression, milestones, and plans for the future of Centurion University.

Prof. D. N Rao, Vice-Chancellor Dr. Supriya Patnaik, of Centurion University of Technology and Management, graced the occasion through virtual presence as the chief guest.

Points mentioned by chief guests

explained the significance of the alumni reunion and the growth of the institution and the individuals. They were happy to announce that CUTM is going to celebrate Silver Jubilee year

Since 1997 when the University was founded till 2018, batches of B.Tech, MBA, Diploma,

ITI, Agriculture, and various other departments have gradually added to the alumni network of Centurion University of Technology and Management to reach responsible and senior positions in the industry.

Alumni of the Institute were reminiscing the memories spent on the campus, and also expressed to lend their helping hands and support the Institute. There are plans now, in the Institute, to brief the current batches of the students regarding the corporate expectations of new technology, current market trend in terms of jobs, etc. Many alumni are willing to visit the campus and share their industry experiences with students

Dr. Anita Patra proposed a Vote of thanks to all the Alumni and other members expecting everybody's interest and involvement in future developments and growth of the University and their junior batch mates.

After formal interaction, alumni and other members had a round of campus visits especially all labs on the campus. All of them were surprised to see such high-class lab facilities available on their campus and expressed their happiness.

Finally grand welcome by Jr. students for Alumni in a tribal village with firecrackers, then a dance performance singing, and DJ it was a very mesmerizing and fun night for participants

All alumni were ecstatic with the streamlining of the alumni association because it provided the necessary networking ecosystem to leverage their friends, teachers, and colleagues to seamlessly share their experiences. The alumni pledged their commitment to improve the industry-institute linkages and mentor current students with a sequence of structured alumni talks and seminars.

Homecoming 2021 Alumni Meet closed with an ecstatic mood, everyone appreciated the initiative and effort of the university in organizing the much necessary Homecoming Alumni Meet. With a resolve to visit again and spread the message amongst all who could not visit this time.

The homecoming 2021 alumni meet was concluded by sharing group pictures with all alumni who participated in this event.

The overall mood was ecstatic and very encouraging for all.

The outcome of the event: During the lab visit, alumni Manoj Kumar Nayak expresses his desire and interest in setting up a center or lab unit in the collaboration with his company Infosys.

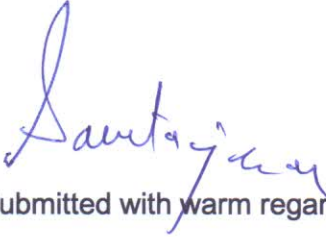

For this specifically, he shows his desire to visit the Dassault lab, and for that, we have invited him to visit the CUTM BBSR campus.

- Zumba followed by Rain Dance / Dj

The session started with T-shirt distribution and breakfast. After the breakfast, everyone were jogging their memories and also singing, dancing and enjoying a lot.

In the session, they shared the progression, milestones, and plans for future of Centurion University. Our President explained the significance of alumni reunion and the growth of the institution and the individuals.

Since 1997 when the University was founded till 2018, batches of ENGINEERING, MBA, DIPLOMA, ITI, Agriculture, and various other departments have gradually added to the alumni network of Centurion University of Technology and Management to reach responsible and senior positions in the industry.

Alumni of the Institute were reminiscing the memories spent in the campus, and also expressed to lend their helping hands and support the Institute. There are plans now, in the Institute, to brief the current batches of the students regarding the corporate expectations new technology, current market trend in terms of job etc. Many alumni are willing to visit the campus and shared their industry experiences with students

All alumni were ecstatic with the streamlining of the alumni association because it provided the necessary networking ecosystem to leverage their friends, teachers, and colleagues to seamlessly share their experience. A sense of belongingness, pride, and enthusiasm evident in their interaction with Prof. (Dr.) Mukti Kanta Mishra and Mr. Rajdeep Mohanty. The alumni pledged their commitment to improve the industry institute linkages and mentor current students with a sequence of structured alumni talks and seminars.

Bangalore Alumni Meet 2018 closed with an ecstatic mood. The session ended with Zumba followed by Rain Dance and Dj. Everyone appreciated the initiative and effort of the university in organizing the much necessary Bangalore Alumni Meet. With a resolve to visit again and spread the message amongst all who could not visit this time, the Bangalore Alumni Meet 2018 was concluded with DJ & rain dance. The overall mood was ecstatic and very encouraging. Homecoming 2018 is queued and its plan preparation is underway.

Report of CUTM-Alumni Meet at Mumbai - 2017

On Dt.14th September 2017, for the first time since 1997, Centurion University of Technology and management conducted the Mumbai Alumni meet at **Marigold Residency Hotel**, Andheri East, Mumbai.

Around 24 alumni from Mumbai participated reunion meet in Mumbai. Alumni from all previous batches of engineering and management attended the meet.

Prof. D.N. Rao, Vice President, Centurion University of Technology and Management, graced the occasion as the chief guest

In his inaugural address, he shared the progress, milestones, and plans for the future. He explained the significance of alumni reunions for the growth of the institution and the individuals. He advised creating a Whatsapp group of the attendees to share their detailed experiences and have regular information sharing between alumni and the university

From 1997 when the University was founded till 2017, batches of engineering, MBA, DIPLOMA, ITI, Agriculture, and various other departments have gradually added to the alumni network of Centurion University of Technology and Management to reach responsible and senior positions in the industry.

Alumni of the Institute expressed to lend their helping hands and support the Institute. There are plans now, in the Institute, to brief the current batches of the students regarding the corporate expectations of new technology, current market trends in terms of jobs, training, and internships, etc. Many alumni are willing to visit the campus and shared their industry experiences with students

All alumni were ecstatic with the streamlining of the alumni association because it provided the necessary networking ecosystem to leverage their friends, teachers, and colleagues to seamlessly share their experiences. A sense of belongingness, pride, and enthusiasm is evident in their interaction with Prof. D.N. Rao. The alumni pledged their commitment to improve the industry-institute linkages and mentor current students with a sequence of structured alumni talks and seminars.

The organizing team collected feedback and inputs for improvement from alumni regarding the organizational aspects of the Mumbai Alumni Meet 2017. We will share these shortly.

Mumbai Alumni Meet 2017 closed in a euphoric mood. Everyone appreciated the initiative and effort of the university in organizing the much necessary Mumbai Alumni Meet. With a resolve to visit again and spread the message amongst all who could not visit this time, the Mumbai Alumni Meet 2017 was concluded with a fantastic dinner. The overall mood was ecstatic and very encouraging. Bangalore Alumni meet 2017 is queued and its plan preparation is underway.
