**About the program:**

Scientists and researchers across developing countries often cannot compete for funding awards due to scarcity of opportunities and other reasons, such as lack of writing skills. This Research Proposal Writing Workshop provides faculties and researchers with the skills and tools they need to write a strong research proposal which is the first step towards securing a funding opportunity.

**Objectives:**

To understand the overall objectives, hypothesis, justification, methodology and expected results of your planned study.

To understand the structure of a scientific proposal

## Outcomes:

- Structure of a Scientific proposal
- Research proposal: identifying the problem, objectives and hypothesis (tree of problems)
- Demonstration Resources for Literature Research and management
