Film making

Date:19-08-2019 to 21-08-2019

Resource Person: Mr. Sibaprasad Mohanty

About the resource person: Mr. Sibaprasad Mohanty a two times state award winner for direction and Associate Director of the recent state awarded film "Hello RC".

Number of participants: **24**

Objectives:

- Workshop was designed to serve the needs of a variety of students, yet through hands-on classes and exercises, all students gain an understanding of the requirements and rigors of filmmaking, as well as experience the exhilaration of seeing a completed project.

About the programme: The program begins with intensive study in camera, writing and directing. Then, students begin shooting their individual exercises. The end of the workshop is composed of editing class and post-production, ending with a final screening.

In the workshop, each student writes, produces, directs, and digitally edits his or her own film on digital video, and rotates among crew positions when his or her classmates shoot.
