

CENTURION UNIVERSITY OF TECHNOLOGY AND MANAGEMENT, ODISHA
WORKSHOP
on
“WASTE MANAGEMENT”
(25 October, 2019)
REPORT

Resource person : Mr. Narayan Gouda

Dr. Narayan Gouda is an Assistant Professor of Chemistry at Centurion University of Technology and Management in Odisha, specializing in thermal conversion of waste biomass and waste plastics for production of fuels. He obtained his doctoral degree from Centurion University of Technology and Management, Odisha. He has more than 10 years of teaching experience. His current interests are focused on the development of fast pyrolysis of biomass for the upgradation of the fuel property to make it a better substitute for the fossil fuels and utilization of waste plastics for the preparation of composites.

NAME OF THE WORKSHOP: WASTE MANAGEMENT

DATE AND VENUE: 25 October, 2019, Centurion University of Technology and Management (CUTM), Paralakhemundi campus.

ABOUT THE SESSION: Dr. Anita patra, Registrar, CUTM felicitated resource person. The Registrar addressed the session about the increasing E-Waste from the IT sector and how it is causing a negative impact on public health. In the programme, various sources of waste, and its treatment methods were discussed. The negative effects on the environment and on public health by the waste were discussed in the session. The innovative ways to safely dispose of the various types of waste was also explained to all the participants in session.

OBJECTIVES:

1. To deliver lectures on recent advances in management and safe disposal of E-waste
2. To demonstrate the innovate ways to manage the E-waste from different sectors

OUTCOME: Formal Vote of thanks was given by the Head of the Department, CSE, CUTM. By the end of the workshop the participants got an overall idea about the sources of E-waste generated from various fields and the alternate ways to utilize or reuse the E-waste.

No. of Participants: 23
