

**Faculty Development Program
On
Mushroom Farming**

Date & Venue:

21st to 25th Jan, 2019 & Mushroom unit.

Resource Person:

Dr. Siddhartha Das, Assistant Professor, Depart. Of Plant Pathology, MSSSoA, Centurion University, Paralakhemundi campus.

Objective of the FDP

1. To acquire basic Knowledge about Mushroom farming.
2. To acquire basic knowledge on mass multiplication of beneficial microbes.
3. To acquire basic knowledge about risk assessment and challenges of mushroom farming.

Total Participants: 27

About the Session

During the 5 days FDP program each day was consists of 3 hrs and which was divided into Interactive and Practice session. Focusing on the objective of the FDP, participants were given more exposure to lab and field practice, where participants learnt on how to grow seasonal mushroom, its financial aspects and risk/challenge analysis. The whole FDP was conducted in Mushroom unit.

Outcome of the FDP:

1. Participants got basic knowledge about different types of edible mushroom.
2. Participants got basic Hands on mushroom production technology and its risk assessment.

Comments and Suggestions:

1. FDP was informative
2. FDP was participatory due to Hands on training and learning
