

Faculty Development Programme on Mentoring Process

Topic	: Mentoring Process
Date	: 31-05-2019
Number of participants	: 18
Resource Person	: Mr. Siba Kripa Bose, Chief mentor, CUTM

The session started with all the participants introducing, The mentoring skill workshop designed to enhance participants effectiveness in mentoring students. Designed as a three-part series, each session introduces new content while building on the previous session's learnings to support participants' development as mentors. This workshop covers the important steps, skills, and best practices of mentoring. You'll learn how to set up a mentoring program, structure the relationship, and address and avoid the challenges that can derail a successful mentoring relationship.

Outcomes:

- Develop a good mentoring relationship
- Set robust and fully rounded goals
- Apply the secrets of advanced active listening
- Give the most effective kind of feedback
