## **Utkal Divas Celebration**

**Date: 1<sup>st</sup> April 2022**

The Odisha Foundation Day, also known as Utkal Divas or Utkala Divas, is commemorated every year on April 1 in recognition of the creation of Odisha as a separate state carved out of the then Bihar and Orissa province from the erstwhile Madras Presidency in the year 1936. This year, the historic land of Lord Jagannath will be celebrating its 87th Foundation Day or Odisha Day recalling and cherishing its struggle and emergence as an independent state.

The Odisha state, which came to assume its political identity as a separate state in the year 1936 on linguistic grounds, has a very rich tradition and history. The region can be traced back to the reign of King Ashoka of the Magadha empire in 261 BC, when it was made part of the expanding Mauryan rule. It, later on, came to be ruled by King Kharavela of Kalinga, which is the modern-day Odisha, who is credited by historians for laying the foundation of Odisha as a powerful political entity and land of sculpture, art, and architecture.

Centurion University Bolangir campus have celebrated Utkal Divas with the presence of Honorable Director sir Shri Pradeep Kumar Sarangi and all staff at Centurion Campus on 1<sup>st</sup> April 2022. ### **3. OBSERVATION OF GANDHI JAYANTI VISIT ACTIVITIES: Spreading Social awareness on Plasticon 2nd October**

That year, on 2nd October, The 150th birth anniversary of Mahatma Gandhi were celebrated by the whole world. Mahatma Gandhi's birth anniversary is celebrated every year as Gandhi Jayanti to commemorate his ideals of peace and non-violence as well as his immense contribution to India's freedom struggle. Gandhi Jayanti is one of India's three official national holidays, along with Independence Day and Republic Day.

In 2007, 2nd October as the International Day of Non-Violence was voted to establish by the United Nations General Assembly. Let us all follow the path of truth and wisdom and pay homage to our Father of the Nation on this day. The Father of the Nation with the tools of truth and non-violence, freed our nation from imperialism. Follow his path of truth and wisdom, pay homage to this great leader on Gandhi Jayanti 2019. He taught us to be the change we wish to see in the world. He taught us that where there is love there is life. He followed the path of *Ahimsa* and nonviolence to make us unite.

Another Great Son of our country, Lal Bahadur Shastri was the 2nd Prime Minister of India and a senior leader of the Indian National Congress political party. He joined the Indian independence movement in the year 1920. Deeply impressed and influenced by Mahatma Gandhi, he became a loyal follower of Gandhi. His birthday is also celebrated all over the country on 2nd October. Everyday, plastic waste negatively impacts the ecosystem, habitats, human health and sustainable development across the world. Despite the vast scale of the problem, the general public and other important stakeholders have not been adequately engaged and educated on how they can become part of the solution.

The aim of the awareness was to increase public understanding and shape community perceptions on the dangers of plastic pollution and available solutions, thereby empowering more people and organizations to take action. Community actions can include changes in individual attitudes and purchasing habits, increased sorting and recycling behavior, responsible business processes and practices, among others. Broad public awareness can help to change the way that plastic is viewed, used and managed as waste.

## 5. National Science Day 28th February 2018

India celebrates its National Science Day every year on February 28 to mark Dr. C.V. Raman's discovery of the scattering of light, also known as the "Raman effect". The program had so many discussion on the CV Raman and his contribution one of the topic of discussion was about the Nature article on Secondary Radiation.

On March 31, 1928, *Nature* published a letter from CV Raman, titled "A new type of secondary radiation." The report writes that, "in every case in which light is scattered by the molecules, the diffuse radiation of the ordinary kind, having the same wave-length as the incident beam, is accompanied by a modified scattered radiation of degraded frequency." In simple words, there is a change of wavelength when light is scattered by different molecules. The changes depend on the molecules that are responsible for the scattering.

## **National Education Day**

**Date: 11<sup>th</sup> November 2018**

National Education Day is an annual observance in India to commemorate the birth anniversary of Bharat Ratna Shri Maulana Abul Kalam Azad, the first education minister of independent India. National Education Day of India is celebrated on 11th of November every year. On the occasion of Education Day, Team CSR organized a sensitizing visit to a Children Home-Jagannath Niketan at Rasuru Village. Every child is a jar full of delight and talent and the team looked forward to spending precious time with the children. The Children Home consisted of 40 kids from all walks of life. Our students distributed snacks and chocolates to the kids and spent some precious moments with them.

The arrival of the team at the orphanage was met with shrieks of joy and happiness among the kids. A few kids did recognize them from the last visit and were enthused by their presence. Each of their eyes had a story to share which reflected the soul beneath. The most unforgettable moment was the sparkle in their eyes on receiving gifts and the possession they had towards them. Thanks to the team CSR for making it happen. Our volunteers interacted with the kids in a joyful manner and the kids were also eager and excited to learn things. They Showed Their Gratitude Towards our volunteers.

## Teacher's Day, Rayagada

**Date – 5<sup>th</sup> September 2020**

India, 5th September is celebrated as Teachers' Day as a mark of tribute to the contribution made by teachers to the society. 5th September is the birthday of a great teacher Dr. Sarvapalli Radhakrishnan, a staunch believer of education and a well-known diplomat, visionary, statesman, scholar, President of India and above all a perfect Teacher. In 1962, when Dr. Radhakrishnan became the President of India, he was approached with a request of celebrating his birthday. He said, "Instead of celebrating my birthday, it would be my proud privilege if this day is observed as Teachers' Day". This showed his love for the teaching profession. From then onwards, this day is celebrated as Teachers' Day in India. Teachers mould the lives of the students by guiding them, by enriching their personalities, by imparting ethical and moral values and have more influence on them. Teacher's Day is celebrated with great enthusiasm in many parts of the world. This day is dedicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students. This year the program was celebrated online.
