## HOD & Batch Coordinators meeting (Dt. 13-09-2017)

### CUTM, MSSSOA, Paralakhemundi, Odisha

The meeting has been conducted through offline mode for the school of MSSSOA and the minuetts are as follows:

1. Mid-term examination preparation for first semester B.Sc. and M.Sc.
2. Freshers' day preparation.
3. Lab manual preparation along with lab records maintenance.
4. E-content preparation for specific courses was discussed.
5. **The preponderance of mosquitoes during monsoonal period is a quite natural phenomenon. After getting the issues of mosquitoes in hostel, as it's a part of administrative section, the matter was forwarded immediately to director of administration for necessary action. The administration provided mosquito nets in the windows of each room of hostels. It also facilitated mosquito control by fogging techniques in the university campus.**
