## HOD & Batch Coordinators meeting (Dt. 01-05-2020)

### CUTM, MSSSOA, Paralakhemundi, Odisha

The meeting has been conducted through offline mode for the school of MSSSOA and the minuetts are as follows:

1. Discussions were held on curriculum, electives and domain courses.
2. It was decided to increase the number of domain courses and identify the coordinator for each domain course and faculty should associate with one of the track / domain.
3. It was decided to workout strategy for placement of final year B.Sc. hons. Ag. Students without hampering academic standards.
4. Courses alignment to be done digitally.
5. By the end of the year, each faculty should publish three papers in their chosen field of domain.
6. **Due to lock down amidst the Covid-19 situation, it is really difficult to collect data from the village for thesis work. So a meeting was organized by the Dean with the HODs and batch coordinator and it was decided to provide some relaxation for articles writing and the matter of Dibyajyoti Behera has been resolved.**
7. **Online class is the only way for completion of course work during Covid-19 pandemic. All the students are not living in urban areas, some of them belong to rural area of the states, so they are facing network related issues during online classes. Hence, they are advised to move to a nearby place to get a better network during online classes. Also, some online doubt clearing classes have been provided for the students.**
