Respected sir,

I am not getting attendance in two subjects that are Applied analytical chemistry and Laplace and fourier transform from friday (07.05.2021). I have talked to the concerned course teacher. They are telling me that my name is not showing in their ERP. I have registered in those subjects. Please check once and solve the problem. The course teacher are

1-Applied analytical chemistry-Narayan Gouda

2-Laplace and fourier transform-Balaji padhy

Thank you
