Dear Soumya,  
Would you please find out some more details about this student. Also give me her performance and tell me how much is her due till she completes her course.

Regards,

Supriya

Respected Madam,

I am Nehashree Samrat, a student of BSc MRT (2019-22 Batch), School of Paramedics and Allied Health Sciences. In the month of July, my father passed away all of a sudden due to brain hemorrhage and he was the only one in my family supporting my education as well as the education of my siblings. Due to the death of my father, I am unable to stay in the hostel for 68 days i.e from 9th August, 2021 to 14th October, 2021. My family has been financially not at a state to pay college dues as there is no other way of earning for our family. He was a salaried person and bearing all the expenses from his monthly salary.

Now there is no one to bear my educational expenses and the hostel is charging ₹4000 more for that two months / the absentees days. I request you to please consider my situation and my financial crisis. **Please spare me from paying the amount being asked to pay for the two months.** I am sure you would consider my request at your foremost. I'll be Highly obliged for your act of kindness.

Thanking You

Yours Sincerely,

Nehashree Samrat

Dear Soumya,

Thank you so much for your detailed report.

Dear Nabin,

We should waive off the fees for the period of absence.

Dear Debasish,

Please review the status of her fees and refund.

Regards,

Supriya

Respected Madam,

Ms. Nehashree Samrat is a bright student of BSc MRT final year. She has a CGPA of 8.5 till 4th Sem (with an SGPA above 8 points in each sem; 5th Sem results are awaited).

As per my interaction with her, Ms. Nehashree Samrat is pursuing her BSc MRT degree through a Study loan from Bihar Credit loan. She was sanctioned with Rs. 4,00,000 (Academic fee + Hostel fee) from the bank.

Break up for sanctioned study loan:

1st Year: Rs 90,000 (Academic fee)

2nd Year: Rs 1,55,000 (i.e. Rs 90,000 Academic fee + Rs 65,000 Hostel fee)

3rd Year: Rs 1,55,000 (i.e. Rs 90,000 Academic fee + Rs 65,000 Hostel fee)

As informed by the student, all the above fees have already been credited to the account of CUTM from the bank (Details of the transaction are attached)

### Issues:

1. The student is asked to pay Rs 4000 hostel fee (for Aug- Sept, 2021). The student had not reported to the campus during that period due to the demise of her father in the month of July, 2021. She is requesting to **forfeit Rs 4000** as she had not reported to the hostel. She rejoined the hotel on 15th October 2021 and has paid the hostel fee from Oct- Dec 2021 (through the study loan from the bank).

2. As there was a delay from the bank in sending the loan for the 3rd-year academic fee, she had to pay Rs 45,000 (copy of the receipt attached) from her own resources.

Later CUTM has received Rs. 1,55,000 from the bank (details attached), but the expenses were Rs 1,18,000.

Break up:

Rs 90,000 Academic fee

Rs 21,000 Hostel fee (as the hostel charges are 21,000 for 3 months and she has not stayed for another 3 months due to her father's death)

Rs 7,000 Examination fee

So she is requesting the **refund of the excess amount of Rs 82,000 credited to CUTM** which is she has submitted an application to Accounts department.

(The UTR No. may be verified by the accounts section as she doesn't have any receipt for the transaction of study loan from the bank to CUTM)
