Dear Subhrasmita,

Hope you are doing well,

This is my 3rd mail to you regarding your reporting to campus. You were previously communicated on 17th November 2021 and 21st November 2021 but we are yet to get any reply from your end. So as part of information you are hereby notified that your further communication with the university will be validated once you provide a detailed report of your absence and non reporting to campus. Till then your subject registration and course commencement responsibility will not be undertaken by the university anymore.

Till you complete the formalities you will not be awarded any attendance for 4th semester under any circumstances.

You have 2 days to reply to this mail with your explanation.

Regards
