To,

The DEAN

Centurion University of Technology & Management,
Bhubaneswar

Sir,

with due respect I would like to request you to kindly grant me the permission to continue my studies in your esteemed university. Although, I have not been able to attend my classes regularly due to my mother's illness in the previous year, this year things have improved and my mother is doing well. I can now leave her alone at home and I assure you that I will come to attend the classes regularly.

As you can very well understand Sir that my absenteeism was due to a personal family emergency I request you to kindly allow me to pursue my studies further now.

Yours sincerely,

Tinku nayak
