Respected sir,

I am Snehashree Choudhury of btech 2nd year, Reg no.-210301120060. On september 1 my mother expired and on 12th october my father had gone through a major operation of tumour. I had already talked to department about this issue they told that they will allow me to sit in regular exam but due to lack of attendance in 3 subjects that is Data Structures (CUTM1603), Probability and Statistics (CUTM1005) and Java Technology (CUTM1031), they decided to give me special EOD which is free of cost. So I registered for EOD for two subjects, which will be held on February 19. But my 3rd semester assignment, class test 1 and 2 marks of certain subjects are not entered in ERP. I have also talked to Kulabhusan sir regarding this issue. For this reason I have not been listed for Probability and statics in the EOD list.

I request the examination cell to kindly permit the respective faculties so that they can update the marks and look into this matter.

subjects whose mark has not been entered are Probability and Statistics (CUTM1005) and Java Technologies(CUTM1031).

yours sincerely,
Snehashree Choudhury
