

ISBN: 978-1980668961

Guide to Indian Mutual Fund Investments is designed to explain and simplify the concepts and the basics behind the mutual fund investments. The book explains the details regarding various types of mutual funds, their investment management and investor protection measures. The book also highlights the tax effects. Additionally the book gives information regarding various asset management companies. I hope this book will be helpful to students, professionals, academicians, researchers and also to general public to understand what are the various types of mutual funds and which one to invest.

Prof. (Dr.) Susanta Kumar Mishra has more than 20 years of experience in financial education and research. His area of research includes mutual funds. At present he is working as Professor and Dean in the School of Management at Centurion University of Technology and Management, Bhubaneswar, India.
