Financial Accounting is designed to explain the various terminologies and accounting fundamentals involved in Corporate Accounting. It is meant for MBA and BBA students. Care is taken to make the concepts as simple as possible in order to enable the students to gain an in-road into this subject. It is also meant for anyone interested to know the fundamentals of accounting. I have used my years of teaching experience to make things as simple as possible.

Prof. Susanta K. Mishra, Ph.D. is currently working as Professor in the area of Finance and Strategy at Centurion University of Technology and Management, Odisha, India. He has a number of years of experience in teaching, research and industry to his credit. He has authored a number of books in Finance and Entrepreneurship to his credit.
