S. Kameswar Rao

Dr. S. Kameswar Rao, is Associate Professor of Human Resource Management and heading the Training and Placement department at Centurion University of Technology and Management, India. His main interests emphasize on local governance and human resource management. He is a Certified HR Manager by Vskills, a JV of Govt. of India. Dr. S. Kameswar Rao has experience of working as Specialist (HSUI) with the Ministry of Housing & Urban Poverty Alleviation, Govt. of India. He has published 20 articles in national and international journals.

Urban growth and governance is one of the major challenges of the twenty-first century. Well managed cities can act as engines of economic growth and significantly contribute for the enrichment of the quality life of inhabitants. This book provides a comprehensive overview of local governance and offers original analysis that help readers condense research time by offering advanced material on urban government and administration in a single source.

Written by an academican and consultant of administrative operations to local government the book offers a leading-edge insight into the features, challenges and trends of local government. This book consists of eight chapters. Chapter - I presents introduction, basic understanding of local governance and the historical perspective of municipal administration in India. Chapter -II presents the review of literature related to municipal services. Chapter-III presents the research methodology and profile of the respondents.

Chapter - IV deals with the profile of Greater Visakhapatnam Municipal Corporation with reference to select services. Chapter - V presents the analysis of consumers' opinion on physical infrastructure facilities provided by GVMC. Chapter - VI presents the opinion of consumers on services provided by the Greater Visakhapatnam Municipal Corporation. Chapter - VII presents the opinion of consumers on the overall performance of GVMC in providing services to the public. Chapter - VIII presents summary, major findings and suggestions for improving the organization and working of Greater Visakhapatnam Municipal Corporation.
