Report for ZOOLOGY_Career Counseling 2

A Report on Career Counseling Meeting

Date: 11th April 2018

Venue: Seminar Hall

Attended By: Students of Final year MSc

Resource Person: Dr Kunja Bihari Satapathy

Participants:-70

A Career Counseling session was conducted for final year MSc Zoology students. The first session was for students of the science stream. The session gave an insight about how important it was for students of Zoology to have a back up plan along with aiming for an admission for higher studies. The session provided the information about the various topics to be undertaken of bio sciences while pursuing PhD. The career counseling meeting was conducted under the “**Student career counseling program**”. The Department of Zoology, School of Applied Sciences, organized this on 11th April 2018 on the topic “**Industrial Microbiology application and job opportunities**” The invited speaker Dr. K.B. Satapathy gave a talk on the above topic. In the opening session, Dr. Sagrika Parida, HoD, addressed the gathering and delivered his thought on microbiology. The talk was aimed to educate the student about the career opportunities in area fermentation, vaccine development, laboratory skills required to work in industry-based lab and safety measures followed in microbiological lab.

In conclusion, Dr. Susanta Kumar Biswal, Dean, School of Applied Sciences, CUTM delivered the vote of thanks by expressing his gratitude to the chief speakers. He also thanked all the students and faculty present in the talk. More than 70 students and faculty attended the seminar.

A vote of thanks was extended to the resource person by the Career Coordinator of the Department, Dr. Sitaram Swain.
