Pharmaceutical Products and its Market Value
(School of Pharmacy and Life Sciences)

Name of the facilitator – Mr. Gouri Sankar Mohapatra,

Area Manager Cuttack Division, SUN Pharma

Date: 4th February 2019

Participants: -78

Department of Pharmacy, SoPLS conducted expert talk programme regarding “**Pharmaceutical Products and its Market Value**” 4th February 2019. In this event, the facilitator Mr. Gouri Sankar Mohapatra taught the numerical doubts asked in the different marketed value of pharmaceutical products. The concepts related to product price, promotion of product and place to sale. He also discussed about different primary key of pharmaceutical market segment. It's widely considered that market segmentation, across the pharmaceutical sectors and beyond, fall into four segmentation categories: Demographic segmentation, psychographic segmentation, behavioural segmentation and geographic segmentation. More than 60 students got benefitted from this discussion. In view of the students' interest towards the topic, another seminar will be arranged soon. Our NAAC coordinator Mr. Himanshu Bhusan Samal, SoPLS, presented the vote of thanks by expressing his gratitude to the chief speakers. He also thanked all the students and faculty present in the talk.
