Report for ZOOLOGY_Career Counseling 2

A Report on Career Counseling Meeting

Date: 5th February 2019

Venue: Seminar Hall

Attended By: Students of Final year MSc

Participants:-112

Resource Person: Dr Siba Prasad Parida

A Career Counseling session was conducted for final year MSc Zoology students. The first session was for students of the science stream. The session gave an insight about how important it was for students of Zoology to have a back up plan along with aiming for an admission for higher studies. The session provided the information about the various topics to be undertaken of bio sciences while pursuing PhD. The session also provided vital information about alternate courses in Forest management and wildlife research approaches such as conservation and management etc. Information about cost efficient courses in conservation biology outside India was also provided to the students. The workshop emphasized on the point that there are various opportunities that are now being availed by Zoology students. He also suggested some opportune time where students can invest in carrying out their research about exam like NET, GATE and SET about courses available in other universities. He also informed the students about some stream neutral courses which the student of any stream could opt. he apprised the students that there were no advantages or disadvantages of opting those courses, but, they are competitive as a child from any stream could opt for them. He discussed courses like genetics and immunology various colleges within and outside Odisha that offer this course and the eligibility for pursuing this. He motivated the students by disseminating information about various fields in Biodiversity and placements in Biodiversity board .The workshop ended by students asking their queries regarding the choice of their subjects.

A vote of thanks was extended to the resource person by the Career Coordinator of the Department Dr. Sitaram Swain.
