TCS**

**Date:** - 26 November 2020 to 29 December 2020

**Name of the Activity:** TCS CSR Youth Employment Program

We are happy to inform that the “TCS CSR Youth Employment Program” has been conducted for the final year BBA students for increasing employable skills among the non-engineering graduates. The Youth Employability Program (YEP) stems from the Tata Affirmative Action Program (TAAP) under the CSR umbrella and has been driven over the past 10 years addressing the challenge of unemployment within India. TCS believes that given the right opportunities and learning skills, even those from socially and economically under-privileged families, will be able to showcase their potential, join the mainstream economy, and shall have a dignified life. The program aimed at providing Free Employability Training for the SC/ST and other economically weaker candidates. The program also supports the youth for guiding them for internal (in TCS) and external opportunities for their jobs. In terms of geographic

reach, the program is currently operating in 24 states / UTs and over 200 districts, with over 12,000 trainees per annum, and we wish to continue to increase its reach and scale.
