## **Report of the Coffee House event**

**24 June 2022**

A Coffee house event was organized by the School of Agriculture and Bio Engineering Students on 24 June 2022 from 2.30pm to 5.30pm. The objective of the event was to improve the communication skills and confidence ability of the students. Through this event students could learn about collect, compose, create and communicate aspect of writing and speaking ability.

### **The concept note of the event**

The Coffee House is a place where every “being” is an “individual being”, a contributory, caring, constructive & communicative being that has a positive attitude & understanding. The event was designed as a training process theoretically based on components of Communication Skills and Personality Development. Some of the unique features,

- **3C Method:** The participants decided their area of interest and followed “Collect, Compose & Communicate” form at various stages of back ground work. Different idea generation, concept development, group discussion, speed writing, creative writing. Sessions were used to come into a Content to deliver. Feedback Evaluation: At every turn of the process, the participants went through the content, coverage, communication, creativity & coordination factors of evaluation.
- **Seminar Paper:** The participants followed seminar paper writing process to develop & deliver the final content.
- **An Oration:** The participants have also converted the knowledge acquired into an oration to offer in case they visit a coffee house, a gathering of sense, an intellect meet following the précising skill with a touch of creative modulation.
- **Feel Good:** The orator at the coffee house gets all importance at the time of knowledge sharing and is only visible there. All others at the coffee house are to be dead silent in dark allowing information, content to flow uninterrupted.

### **Report of the Event**

The event started with a welcome speech by Dr. Amir Prasad Behera, Assistant Professor of English, School of Management. Later the complete event was managed by Krishna Nayak and Ranit Sarkar. The total strength of the participants was 49. They were all from 5<sup>th</sup> Semester of the School of Agriculture and Bio Engineering.

In the event students were given topics on recent trends and technologies and they were asked to give presentation. All the presentation of the participants was evaluated by evaluation criteria i.e. content, communication, lexical resource and grammatical range and accuracy. In order to energize the participants in the midst of the presentation balloon blowing a fun activity was conducted.

The Jury members of the event were Prof Subhankar Debnath, Dr. Santosh DT, Dr. Gitanjali Behara, Dr. Ruby Pandey and Dr. Soma Maji and Dr. Sharmistha Sahu.

After completion of the presentation the Jury Members selected three best presenters. They were Krishna Nayak, Ranit Sarkar and Debjit Mukherjee. The three presenters were given prizes as a token of appreciation. After completion of all the presentation Dr. Santosh DT gave feedback to all students and encouraged all students to participate in such event with great enthusiasm and spirit in the future.

At the end of the event the course facilitator Dr. Amir Prasad Behera, thanked all the jury members, participants and student coordinators.

The event was completely managed by the following student's committee members.

Team	Name	School
Anchors	Ranit Sarkar	School of Agriculture and Bio Engineering
	Krishna Nayak	
Budget managing Team	Durga Madhaba Patra	
	Srimaya Mahapatra	
Content editing Team	Debarghya De	
	Deep Joel	
	Rukmini Bhallhabha Behera	
Game conducting Team	Debjit Mukherjee	
	K.S.R Nithin Sai	
Organising Team	S Rabi Kumar Rao	
	Asapani Devendra	
	Mahesh Jena	
	Abhisek Giri	
	Mahash Jena
