**A report on**  
**Career Communication**  
**3 July 2019**

To get a brief knowledge on Career development and communication skills for the students of School of Engineering and Technology, Department of English, CUTM conducted a one-day workshop on “Career Communication” on 03<sup>rd</sup> July, 2019 in which a total of 200 students participated.

The workshop was divided into three sessions. The first session was delivered by Prof Prajna Pani, Professor of English, who delivered lecture on Soft Skills: A major key for a career success. Her presentation covered areas like SWOT analysis, useful links and tools related to the communication skill through which students can build their career. After the presentation, the participants were given a few quizzes and exercises on communication skills and their performance was evaluated. And necessary feedback was given. The students got insightful information and experienced some fun in the first session.

In the second session Prof. Girish Prasad Rath, the resource person delivered his lecture on some of the techniques to be used for better communication skills. He delivered on the simple methods to improve the basic communication skills and emphasized on interview related topics. The students were asked to give their own introductions. They were asked to read out the drafts and necessary corrections and clarifications were suggested by the resource person.

The third and final session was facilitated by Prof. Susanta Kumar Patnaik on English for Employability and Career. Through this session, the participants were given some useful information on language skills, industrial expectations from engineering students, tips for interview and the importance of IELTS examination for students. They were then given some exercises on language skills and on improving their pronunciation.

The workshop provided a platform for students to learn the techniques in communication skills for their career elevation and employability in the present scenario. In the last part of the workshop, few participants gave their feedback explaining how the program helped them improve their communication skills and made them more confident in using English in a better way. The participants through their active participation knew their lacuna and tried to improvise on their communication skills.

The department of English was thanked profusely for initiating such an insightful and thought provoking workshop.
