Report On

Human Behavior and Relations

23rd December 2017

The course on Human Behaviour and Relation is about gender, human rights and ethics in which the student will be sensitized and exposed to related issues in the context of business and organisations in India. Number of students enrolled were 150. The event was organized on 23rd December, 2017.

Glimpses of the Valedictory, 23rd December 2017

The learners at the end of the programme were able:

- To develop an understanding of gender, human rights and ethics in an unequal society like India
- To sensitize of how gender, human rights and ethics are significant in organisations.
- To integrate concerns related to gender, human rights and ethics in organisations.
- To understand the complexity of issues and challenges relating to gender, human rights and ethics
- Be sensitive to gender, human rights and ethics within an organizational context
- To integrate concerns related to gender, human rights and ethics into the policies, processes and systems in an organization
