Report on Soft Skills

17th November 2017

Developing soft skills is (sometimes uncomfortable) process because students must first engage in a little self-reflection before they know the importance of soft skills training they need. In view of this a training programme on soft skills was organized by the school of management, department of English on 17th November 2017 for which the number of students enrolled were 268.

Students Reflect on their Learnings, 17th November 2017

We explored how to develop soft skills for students in 6 simple steps:

1. Develop a learning mindset
2. Encourage self-reflection
3. Expand knowledge and understanding
4. Leverage powerful LMS software
5. Provide opportunities for practice
6. Offer feedback
