A Report on Language, Communication and Soft Skills

Department of English

Faculty Coordinator: **Dr. Ajit K. Pradhan**, Email: ajit.Pradhan@cutm.ac.in

There are four language and communication skills: **listening, speaking, reading, and writing**. These four skills of language allow an individual to comprehend and produce spoken language for proper and effective interpersonal communication. Communication soft skills are the tools you use to clearly and effectively converse with others, set expectations, and collaborate on projects.

These skills are important because students need these skills as well as their professional technical skills, to be able to interact and communicate at work and socially. These skills support them to fit in, and to be able to move ahead in career.

Keeping this in view, Department of English at Centurion University of Technology and Management has envisioned imparting various skills to its students like Communicative English through Group Discussion, Presentation, Extempore, Mock Interview etc.

On the occasion of World Communications Day, a Group Discussion competition was conducted at Centurion University of Technology and Management, Bhubaneswar Campus on 2nd June 2019 between 2 and 5 PM. All the sixty students who participated in the event were divided into six groups and had spoken on the topics related to language, communication and soft skills.

Two language teachers evaluated all the participants. The evaluation was based on students' language accuracy (pronunciation & grammar), fluency and task achievement.

The following page provides a few snapshots of the event.
