Summer Placement Training for the 2020 graduating batch of Centurion University of Technology and Management (CUTM) was conducted between 1st-31st July 2019 at Bhubaneswar Campus.

The components of the course were based on industry requirements, especially students' immediate needs for placement job interviews. The following are some of the key areas where students were trained.

Key areas of training under Soft Skills: Ice- breaking & Introduction to Soft Skills, Self-introduction, Interview FAQs -1, Interview FAQs -2, Panel Interview -1, Digital Video Resume, GD (General Topics), Panel Interview -2, GD (Current Topics), GD (Argumentative Topics), GD Tips, JAM sessions

Based on the students' feedback and weekly test reports, it was found that students improved their confidence level and academic performance. Many students feel confident to face job interviews as they have acquired adequate knowledge and skills during the summer training sessions.

Many students also suggest that the length of the training sessions need to be enhanced in order to reduce the intensive nature of the training and to provide more opportunities for learning. All the suggestions have been well taken care of and the next training sessions would be based on students' suggestions and academic needs.

The following page provides a few snapshots of the event.
