1. Circular on CUTM COVID-19 Warrior

COVID Warriors

As You know, the Social need of this time is to extend all types of possible support to the people suffering from the deadly virus and need help. We had taken many different social initiatives on different occasions in the past for the Community/Society. **As a humanitarian service for the community during this deadliest pandemic, we decided to extend all possible help to the needy.**

Date: -08.05.2021

1. Report on CUTM COVID-19 Warrior

COVID Warriors

As You know, the Social need of this time is to extend all types of possible support to the people suffering from the deadly virus and need help. We had taken many different social initiatives on different occasions in the past for the Community/Society. **As a humanitarian service for the community during this deadliest pandemic, we decided to extend all possible help to the needy.**

India's second wave of the coronavirus disease has been aggravated by lack of adherence to COVID appropriate safety protocols and the circulation of highly infectious strains of SARS-CoV-2. India's Covid-19 crisis is unfolding in primarily 15 states (Maharashtra, Uttar Pradesh, Delhi, Chhattisgarh, Karnataka, Kerala, Tamil Nadu, Madhya Pradesh, Gujarat, Jharkhand, West Bengal, Andhra Pradesh, Telangana, Rajasthan and Odisha). Due to this, these states have imposed several curbs and restrictions to break the chain of transmission of the cases.

Odisha recorded a massive over 2 lakh new Covid-19 infections in the last 30-days and if the current rate of growth continues then the number will go beyond our control.

Therefore we will make a team of some students, staff and faculty members who will provide 24*7 support to the needy related to disease. The team will also provide information support service (as per WHO & Govt. guidelines) to the patient and family members about hospital, bed, medicine, oxygen, food and post COVID precautions.

Date: 08.05.2021

Participants: 68

When going to a health care facility of any kind

In areas where COVID-19 is spreading

Maintain a distance of at least 1 metre from others

Clean hands frequently

Wear a mask
