Awareness Programme on "Ill Effects of Drug Abuse"

As planned, we interacted with the Boys Hostel - 6 students (Diploma & ITI). There were more than 120 students present during the awareness program date: 10.01.2020. The discussion was very interactive and effective.

The awareness program for all hostel students is over. Response is very encouraging. Now onwards we will be visiting hostels to meet students directly for the same.

Also the discussion was held on the below mentioned points.

1. Run a well designed campaign, similar to what we have for Anti-ragging (which needs an upgrade as well). Make students aware of the risks and a zero tolerance policy towards this.
2. All hostels should have signages depicting the relevant messages at the right locations (Partha and team can design these).
3. Make teams that conduct surprise inspections across the premises with the security guards at random intervals.
4. Use the CSR teams to frequently do fun events themed around prevention of drug abuse and related areas

Thank You everyone contributed for the cause.
