FREE DRUG DISTRIBUTION CAMP

Have we ever thought about how to live life at an old age? Think about how would be the condition when at old age we have to live our life alone without any member of our family? We experienced the challenge today at the camp organized for the Old age, mentally retarded, physically challenged people! It is really painful! Pray to God to give enough strength, courage, and peace to these people. Please respect elders and take care of them at an old age.

As scheduled, 30 Centurions visited and celebrated the weekend in a unique way from 10 AM to 2 PM at **SEVAK, Chhatia, Jajpur (Old age Home and Home for Specially abled: 120 residents)**. It was the first camp that was outside of the twin city area.

As part of the visit a **Vision checkup, Health checkup, Free drug distribution Camp** was organized by the School of Pharmacy & Life Sciences and School of Paramedics & Allied Health Sciences along with sponsoring community lunch for all the residents. More than a hundred old age people benefitted from the camp. It was really nice to see the **YOUTH** celebrating their weekend with the **OLD PEOPLE** in need.

We have sponsored lunch for all the residents of the Old age home. All the members present over there appreciated the contributions of Centurion University for the social cause. All the staff members and residents of SEVAK were very happy for benefitting from the camp organized at their place.

I would like to thank each one of us who contributed directly or indirectly to make the activities successful. Special thanks to the student volunteers (list given below) for their untiring contributions. Special mention of Faculty and Staff members present during the occasion.

List of members visited **SEVAK, Chhatia, Jajpur (Old age Home and Home for Specially abled)** today are as follows:
