2. Report on Pathological Investigation Camp.

Pathological investigation Camp

Pathology is the study of disease. It is the bridge between science and medicine. It underpins every aspect of patient care, from diagnostic testing and treatment advice to using cutting-edge genetic technologies and preventing disease. The pathological investigation camp was held on 25.08.2018 in our CUTM, Bhubaneswar campus. The tests were conducted by the students of Paramedics and external doctors for 80 numbers of students.

Most of the staff members, faculties and the nearby people were benefited by this camp. Everybody appreciated the work done by our students and the external doctors.

Some of the photographs of the event are attached below.
