1. Report on Series of Awareness Program: Motivational Speeches on Happy and Healthy Living.

As part of the Series of Awareness Program: Motivational Speeches on "HAPPY & HEALTHY LIVING" & Demonstration Session on "YOGA & MEDITATION", for our students, we have conducted the first session today i.e. 5th April. It was arranged for 200+ 1st year boys hostel students.

After the awareness session, a powerful motivational speech was conducted by an external speaker Dr. Nijwm Wary (Asst. Prof., Dept. of Electrical Sciences, IIT Bhubaneswar). Dr. Nijwm is an IITian and a Youth motivational speaker. The brief profile is attached with this email. Being inspired by the message of Bhagavad Gita and understanding the

urgency of spreading this message among students i.e to protect them from self-destructive bad habits and to help them balance their ambitions with values, he has upgraded his profession from an Engineer to a Counsellor / Teacher.

He guided students to lead a principle centered life based on the teachings of Bhagavad Gita. He delivered his lectures on "Power of Habits" to the students. His lectures were filled with lucid examples and real life applications which made a great impact on the audience. Thank You everyone for helping us in conducting and coordinating these programs smoothly. Please find some photographs of the session.

Then the Demonstration Session on Yoga and Meditation was conducted by Mr. Pradeep Sahoo, Programme Associate (Holistic Health), CUTM. We will be continuing with the Awareness Program along with the Motivational Speeches on "HAPPY & HEALTHY LIVING" in association with the "Inspire Youth Forum" by various reputed Speakers and Demonstration Session on "YOGA & MEDITATION" at regular intervals for students, staff & faculties. All are requested to take the advantage out of these sessions as and when organized for you.
