Report on Webinar on Career prospects & opportunities in the Manufacturing Sector post COVID 19

Time: 11 am – 12 noon

Date: Thursday, 25-Jun-2020

Participants: 50

YouTube Link: <http://shorturl.at/gh246>

Guest Speaker: Mr. Raju Lal, Partner & EY India Growth Markets Leader

The webinar had a fun element and helped understand the career opportunities in the manufacturing sector in India followed by some sage advice from a really interesting personality who's done it all in life, Mr Raju Lal, EY India Partner. The webinar was planned to be in a fun format with some icebreakers, activities and a rapid fire round.

It helped the students to understand the various career prospects and opportunities in different manufacturing sectors namely electricity, coal, fertilizers, steel, cement, heavy vehicles, auto components, machinery, engines, petroleum, food and beverages etc.

The speaker, Mr. Raju Lal, Partner & EY India Growth Markets Leader is a seasoned leader, who advised the students regarding entrepreneurship and on strategic transformations to help them in their growth and to empower them with the necessary mindset and skills they will require to excel in their future.

Brief about the session:

This session helped the students to understand the various career prospects ahead of them.

This session provided the students with the necessary information regarding how to choose a suitable manufacturing sector.

This webinar provided the students with a clear idea regarding the various types of manufacturing jobs.

Some screenshots of the webinar:

CLASSIFICATION OF MANUFACTURING SECTOR

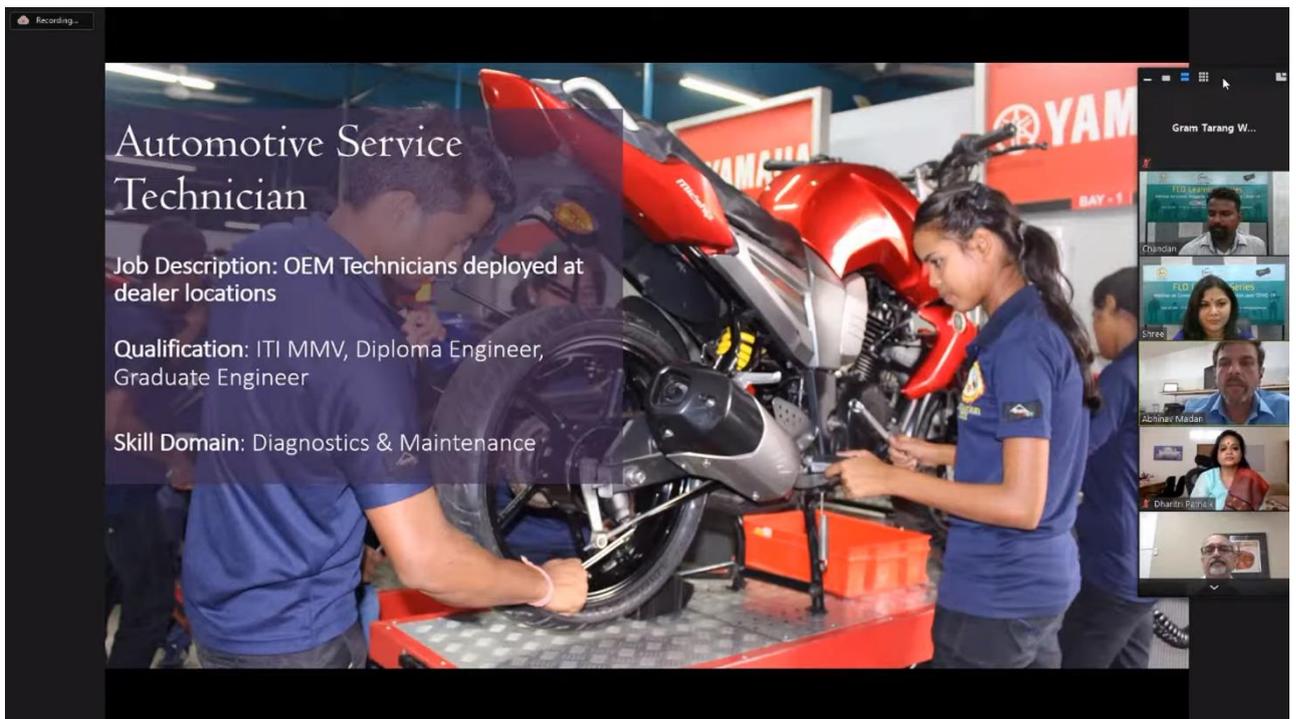

The slide displays a flowchart with four interconnected circles representing different manufacturing sectors. Below each circle is a list of associated products or materials.

| Basic Goods | Capital Goods | Intermediate Goods | Consumer Goods |
|--|---|--|--|
| <ul style="list-style-type: none">ElectricityCoalSteelFertilizerCement | <ul style="list-style-type: none">Heavy VehiclesAuto ComponentsMachineryEnginesMotors | <ul style="list-style-type: none">Jute, YarnPetroleumPaintsPlywoodCement | <ul style="list-style-type: none">PaperFood & BeveragesSoaps & DetergentsCars, BikesWatches, ACs |

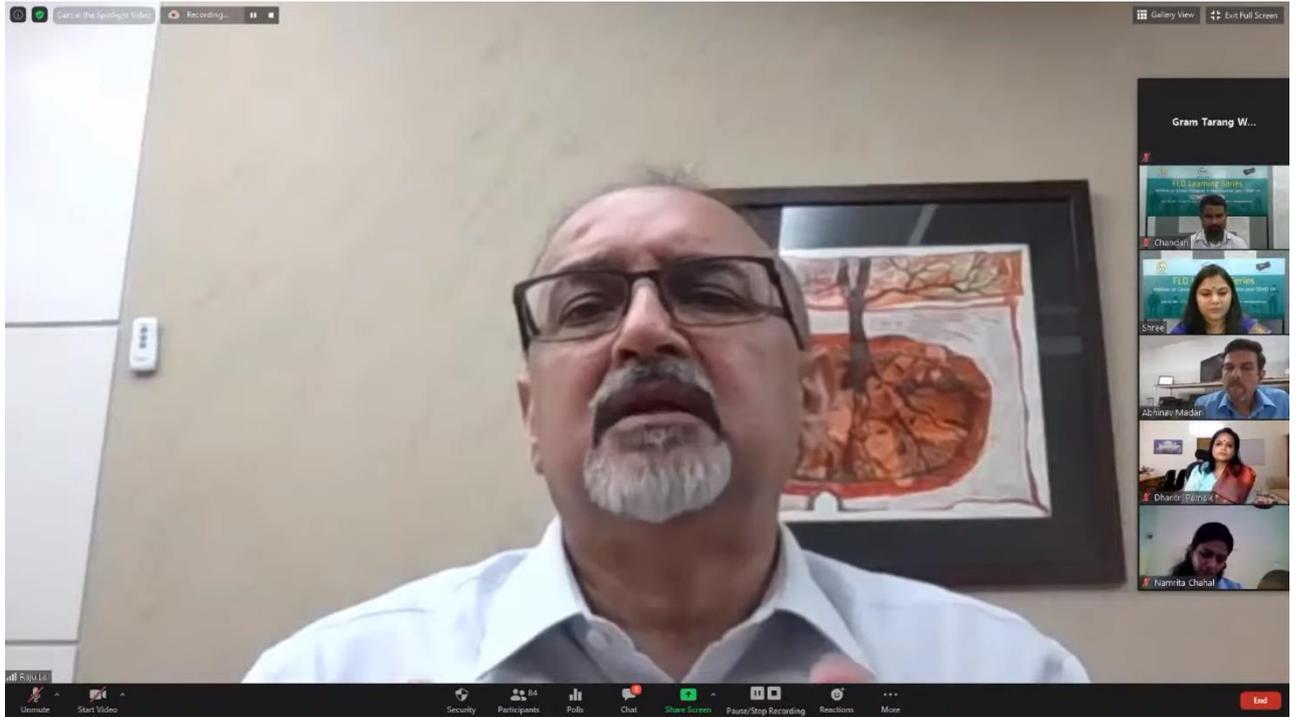

The screenshot also shows a Zoom meeting interface with a vertical stack of participant video thumbnails on the right side and a control bar at the bottom.
