Inauguration and Introduction

Mathematics using MATLAB

Student initiatives 1

EXCELLENCE IN INNOVATION capstone project initiative

Design or research projects for undergraduate and graduate students
(capstone experience, senior design project, final-year assignment)

Relevant to industry; centered around technology trends
(e.g., autonomous vehicles, drones, renewable energy, robotics)

Practical experience gained while using MATLAB and Simulink

Completion certificate, recognition from research leaders at MathWorks
Internship opportunities at MathWorks EDG (MW EDG processes 15000 resumes every)

New project nominations encouraged (educators, industry)
via the forms from the main GitHub page

Support to create 'problem solving' mindset to address issues we see around us
