

Group Discussion Competition, CUTM Bhubaneswar

Date: 12th March 2018

CUTM's Bhubaneswar campus held a group discussion competition on 12th March 2018. Honourable Vice Chancellor Prof. Supriya Pattnaik and Registrar Prof. Anita Patra were the special guests. On the subject of "Social Media: Impact on Human Behaviour and Society," a group discussion was held. Everyone initially seemed reluctant to voice their opinions, but the conversation quickly picked up the pace and the discussion's goal of encouraging students to speak up and build their confidence was achieved. A few arguments made in favour of the subject were the following: "It increases digital marketing, access to more information, and enhances social networking & communication. The argument against the motion was that it "promotes gossip, trolling, and addiction" and "leads to false trap, self-obsession, and materialism." Finally, the vice chancellor attempted to get the students' attention by summarising and concluding the GD, highlighting all of the crucial issues raised by all of the groups, and offered the reward to the winning group.
