**Virtual Rangoli Making Competition on Independence Day, Bhubaneswar**
Date: 13th August 2020

Virtual Rangoli Making Competition on Independence Day organized by the Centurion University of Technology and Management, Bhubaneswar. On August 15, 2020, India would have achieved 73 years of freedom. As such, this year marks the 74th Independence Day of the country. On this day, it ceased to be a colonial nation and secured full autonomy from the British that ruled over it for years. The day holds great significance in the heart of every Indian citizen living in India and abroad. As mentioned earlier, the day is usually dotted with cultural programs, competitions, flag-hoisting ceremonies, and parades. This year, because of the pandemic, many restrictions are already in place. It is, therefore, advised that you observe the day and revel in patriotism from the safety of your house, maintain all social distancing and safety guidelines, and keep yourself and your community safe. That would be the true spirit of Independence Day 2020. In this context, our campus organized a virtual rangoli-making competition on the virtual platform so as not to let down the spirits of the students. Over 40 students participated in this competition among which 3 students conquered first, second and third positions.
