Date – 2nd April, 2022

This competition was held on April 2, 2022. With a total number of Participants – 120 and held at the Auditorium. This event was started by our esteemed registrar, Dr. Anita Patra. It was one of the most interesting and varied things that the students really enjoyed. In this event, where the students were divided into teams and the treasure was divided according to the clues and scattered all over the campus, where each clue had a puzzle and everyone knows how much fun solving puzzles is. After a huge fight by the teams, their fight paid off and in the end one team managed to solve all the puzzles and win the treasure hunt event, such an amazing sight. Finally, the program ended with a thank you from the dean for student affairs, Dr. S.K. Swain.
