Will take some time and talk to you on my next visit to BHUBANESWAR  
Govind is now leading our farm produce marketing efforts. We have some big plans for both. Diafit rice ( low GI rice)  
and even pulses under a brand.

We want to scale this and speaking to state government too. Mr Arun Sahoo is likely to visit us on 3 rd

I feel NABARD and FPOs can support in a big way including value chain funding for the supply chain. It could even  
be a loan

I frankly do not believe too much in workshops/ seminars but will be too glad to formally associate with your center in  
action related projects. Especially in providing commercial principles based marketing access

Will be good to brainstorm on this and I have personally a lot of respect for your Intellect and the capacity to  
contribute. So will be glad to catch up. May be you, me and Govind should discuss the way forward if this is your line  
of thinking

We want to do something BIG in agriculture marketing and I am also talking to ITC and IFFCO- Kisan and we can  
rope them in too
