

WORKSHOP ON

Empowering Disengaged Students

Date: 15-11-2019

Resource Person: Mr. Samuel Crotty

No. of Participants:28

The purpose of the Engaging & Empowering Learners Workshop is to provide educators with

- Learner-centered structures for helping students learn more deeply and
- Innovative strategies for empowering students to become active, responsible learners who can thrive in a learner-centered environment.

SESSION DESCRIPTIONS

SESSION 1: GETTING ON COURSE

Identifying the characteristics of successful students as well as the essential ingredients for maximizing human achievement in college and beyond...and identifying the seven domains of influence available to educators.

SESSION 1: GETTING ON COURSE (Continued)

Strategies for getting students on course to success from their very first day.
