**“Education Technology on Adobe Photoshop”**

**Date: 21-06-2021 to 24-06-2021**

### **Resource Person**

- 1. Ambika Sankar Mishra**
- 2. Saban Kumar Maharana**

No. of Students and/or Faculty Participated: 85

### **About the Session:**

The faculty development programme was organized by Center for EduTech and SkillsTech in collaboration with Center for Innovation and Entrepreneurship and Center for Governance and Sustainable Societies. The programme was organized to make the faculty aware of Adobe Photoshop tool to create images to grab attention of the students as it helps in explain concepts through effective images. Adobe Photoshop is an image editing app/tool. The app may also be used when creating courses.

The programme was conducted for four days and the participants had a lot of takeaways from the sessions. They found the app useful and stated that they would be using the tools in their classrooms.

### **Objectives:**

- To learn visual fundamentals like layout, colour composition, typography
- To learn how to make impactful visuals to be used in course designing ●
- To understand layers
- To learn to use filters and effects

### **Outcomes:**

The participants were extremely enthusiastic in learning the usage of the tool. A beginning has been made and it depends on the participants as to how far they would want to explore to create impactful visuals in their courses.
