

Name of the Activity: **"Expert talk on Nano technology and Use in Modern Medicine"**

Duration of Activity: 2 hrs

Date: 22.06.2022

No. of Students Participated: 90

Brief report of the activity: School of pharmacy and life Sciences and school of forensic science in association with the research centre for drug design organized an expert talk entitled *"Nano technology and Use in Modern Medicine"* on 22 June 2022. The expert talk was conducted to spread the knowledge and expertise among the students and faculty members the recent advances in the field of modern medicine using nanotechnology. The program was hosted by Miss Rupali rupasmita rout, assistant professor Dept.of Parmacology, she also presented the welcome address. Prof. Gurudatta pattanaik, Dean, SoPLS, Dr. Amulyaratna Behera, Dean, SoFS and Dr. Naga jogayya HOD SoFS Addressed the gathering with their words of appreciation. Miss Sucharita Babu, assistant professor Dept. of Pharmacology presented Brief introduction about the Expert. The invited Expert Dr. Dr.Sidharth Hazari, Project Scientist and Research Faculty, University of California, Davis, California, delivered a talk on the above topic. During his talk, he emphasized the nanotechnology in healthcare system, use of nanotechnology in treatment of cancer by target drug delivery, detection and diagnosis, briefly about clinical approach for ovarian cancer, nanoparticle concept and application of nanotechnology in forensic, finally he concluded with question answer session with students and faculties. Miss Sucharita Babu, assistant professor Dept. of Pharmacology presented the sincere vote of thanks by expressing her gratitude to the chief speaker. She also thanked all the students and faculty participated. More 100 students had presented in the session.
