Mode of the workshop	: OFFLINE

School of Management organized a seminar on Diversity and Inclusion. The Seminar was mentored by Ms. Namrita Chahal and Ms.Smriti Mohanty and coordinated by Dr.Girija Nandini, Associate Professor, CUTM. Ms.Smriti Mohanty Sharma addressed the issues of the physically challenged people. First she addressed the different types of physically challenged persons which is 21 types. Then she showed some videos how a physically abled person was sketching and earning his living through his cartoon sketches. Then she talked about 'AINA' who are conducting this event that is "Diversity and Inclusion" to make people aware that what should be done to provide the physically disabled people with equal rights, equal treatment in the society and equal respect. As we look upon a physically disabled people we sympathize about their problem and this is the problem which they want to disappear in the society. It is for the physically abled people to indulge with the society and get equal treatment and it is our responsibility to make this thing happen by creating such environment or surrounding for them so that they can easily indulge with us. We were also taught some of the sign languages which we can use to communicate with the deaf and dumb people. This Seminar was attended by students including students from "BBA", "MBA", "Media" and "B.com".
